

¡Hola a todos!

I hope that you are all well and are enjoying the sunshine. I am missing our Spanish lessons lots and can't wait to see you all again!

As you will see from the Spanish section of the website, there are some great online resources to help you keep up with languages. Below are some ideas if you need further inspiration!

This week, you could focus on practising your numbers. Here are some ideas:

To practise numbers 1-10, watch some Spanish children playing a Spanish playground game on:

<https://www.bbc.co.uk/bitesize/clips/ztrs34j>

Perhaps you could practise your Spanish numbers outside by counting your steps, hops, and jumps as you play?

You could also listen to the traditional Spanish children's song Un Elefante Se Balanceaba which some Year 3s will recognise from class:

<https://www.youtube.com/watch?v=GGTy-UB-n30>

To practise larger numbers 1-50, there are lots of fun games to practise on:

<https://rockalingua.com/games/numbers>

Another good website for languages is Busy Things who currently have an offer due to Covid 19 of one month's membership for £1. They have interactive worksheets which are marked at the end of each exercise so are good for giving immediate feedback.

After practising your numbers by playing games, why not settle down somewhere comfortable and listen to a lovely Spanish version of the story the Enormous Turnip on:

<https://www.littleredlanguages.co.uk/story/es/59/el-nabo-gigante-spanish-story-little-red-languages>

In the story, listen out for these key words:

El abuelo	The grandfather
La abuela	The grandmother
La nieta	The granddaughter
El perro blanco	The white dog
El gato negro	The black cat
El ratón gris	The grey mouse

I hope you have a wonderful week! ¡Hasta pronto!

Señora Pocock
