

Dear Year 4,

We hope you had an enjoyable Easter Weekend and maybe even had some delicious chocolate, or worked hard baking some Easter treats! If you did anything exciting over the last couple of weeks, please feel free to share this on the school Facebook page!

You might have noticed we have updated the school website with many more resources for home learning, under "summer term 1". We would have been starting our fantastic humanities topic of the Romans this week. We have asked you to try out a research topic (links on the website) about the Roman army.

For those bookworms among you, Mr Edwards suggests "Run Wild" by Gill Lewis. Run Wild is about Izzy and her friends, who find an abandoned factory complex where they can practise their skateboarding. What they discovered there would surprise them and take them on a journey to "Rewild Britain". if you like animals and how we can help them thrive, this is a book for you!

If you search "Run Wild resources Barrington Stoke" you can find some fascinating questions and activities to do linked to the story.

We are updating our Mathletics and Times Tables Rockstars every week so please keep going with those! We would have been continuing decimals in maths, please refer to the White Rose home learning for year 4, which has lessons on decimals and questions for you to practise writing and comparing decimals.

We are all missing you lots, stay safe and we're sure we will see you again soon!

From Mr Edwards, Mr Cook and Mr Farooqi.
