

Ambitious and aspirational

'Curriculum 2020'

As a CAST school the curriculum delivers opportunities for the children to be: challenged to fully develop their potential, realise their unique God-given gifts and talents and discern the person God has called them to be.

September 2020 - Ready to Learn

After such an unusual time over the last six months our curriculum for September needs a little adjusting. At St. Joseph's we are focussed on supporting children to return to school life in a positive way and being 'Ready To Learn.'

Our 'Ready to Learn' curriculum is built on the following concepts:

1. Relationships
2. Community
3. Transparent Curriculum
4. Metacognition
5. Space

Ready to Learn - Aims

Opportunities to reflect on events in a safe and open way. To build upon the positive relationships established before lockdown and during lockdown.

Encourage honesty, respect, compassion and kindness in an environment where everyone's feelings are valid.

Provide a safe environment to explore feelings and events , learning ways to build positive mental well being.

Explore how recent events may have caused anxiety, vulnerability, loss and attachment, providing ways to talk about this openly, honestly and without judgement. Exploring ways to manage feelings in a positive way.

Deliver a structured blended curriculum rooted in the Gospel values that allows children to re-establish relationships and hence trust.

September 2020 - Ready to Learn Practicalities

1. **Familiarity** - Use of Google Classroom, familiar routines, structures
2. **Assessment** - Reading, Writing and Mathematics will be assessed. This will be a less formal approach.
3. **Wellbeing** - PHSE will be the main driver to enable reconnection and rebuilding of relationships.
4. **Moving Forward** - As a class begins to show that they are ready for 'Curriculum 2020' the teacher will graduate to this.
5. **Pre requisites** - In Science, History and Geography we have identified key knowledge and skills that need revisiting before advancing to 'Curriculum 2020'.
6. **Holistic Approach** - Some classes and/or individuals will need more time, we have built in capacity to allow for this.

September 2020 - Ready to Learn - Closing the Gaps

Maths and English - Assessment information will be used to inform planning, so that we can bridge necessary gaps in learning. This will be a mixture of: whole class, small group and individual intervention.

RE - Our first unit 'The Domestic Church' focuses on, **Belonging**, through a process of:

- **Exploration** - sharing experiences together and raising questions,
- **Revelation** - knowledge and understanding of the Catholic faith is revealed through: Scripture, Tradition, Doctrine, Prayers, Rites and Christian living,
- **Response** - learning is assimilated, celebrated and responded to in daily life.

Key Foundation Subject knowledge that needs revisiting before advancing to 'Curriculum 2020'

Scientific Observation- What can scientific observation teach us?

Geographical Identification - How do we describe the different physical features of a location?

Historical Enquiry- How can different sources teach us about the past?

Musical Evaluation- What is the importance of listening and evaluating?

What might a week look like?

Relationships

- Discussions
- Lots of little opportunities to succeed
- Learning to sign together
- Praying together
- Playing games
- Activities that allow for discussion of different feelings - validate them all, why might that be?
- Why are we happy/sad to be back at school?

Curriculum 2020- Post 'Ready to Learn'

- Each half term's learning is driven by either History, Geography or Science
- Science is taught each term
- There are built in opportunities to recall and evaluate learning from previous terms and years: weekly, termly and yearly.
- English has a key text, selected to match the driving focus
- Maths, PE, PHSE and RE are taught independently to the driver
- Music, Computing and Art are planned to reflect the driving subject
- French is delivered to Key stage 2 and taught independently of the theme
- All subjects are taught through challenging questions asked by our HMS Quest characters
