To All Parents

Dear Parents

We have been asked to send this letter to you in light of a possible resolution to the issue of the UK leaving the European Union.

As you may know, most families who are from countries within the EU need to apply for settled status. This should be done as soon as possible to ensure settled status is confirmed and both Riverside Community Health Project and the Children's Society are supporting families to apply.

We would like to encourage our families (if applicable) to apply on-time so they are granted settled status and are able to remain in the country after Brexit. Please see the link below for information on how to apply:

<https://www.gov.uk/settled-status-eu-citizens-families/applying-for-settled-status>

Riverside have offered to support families if needed; if you would like help, please contact the school office.

For further assistance, the Contact details for both services are:
