

Indian Queens School: EXTRA-CURRICULAR CLUBS Spring Term 2020

Clubs will commence in week beginning Monday 13th January, and run up to and including week ending Friday 20th March- excluding half term (week beginning Monday 17th February) and home school review meeting week (week beginning Monday 24th February). All clubs will run from 3.15 - 4.15 pm.

Once a child has accepted a place, it is compulsory to attend each week. This is for 3 main reasons. Firstly it is because once a commitment has been made, and a place accepted, the club leader will plan for each child to attend, and secondly because the place has been given to a specific child and others may not have been so lucky, so to waste a place is unfair. Finally, for safeguarding reasons, it is extremely important for both the parents / carers and the school to know where the children are to ensure they are safe.

A charge of £4.00 per child will be made *regardless of how many clubs a child attends*, or the number of club sessions held in a term. This helps towards providing resources for the various clubs and is ring-fenced to ensure it is used to support clubs. Children eligible for and currently signed up for free school meals (**not** universal infant free school meals) and children receiving service family funding are exempt from this charge.
