### Happy Half Term!

*We hope you all have a great half term and look forward to seeing the children back on Monday 7<sup>th</sup> June*

### Timings after half term

After half term, we will be reverting back to the normal, pre-COVID drop off times in the morning only;

**8.40-8.55.**

\*Collection times in the afternoon will remain staggered until further notice\*

### Lateness

We are still having a large number of children arriving late for school. Not only does this impact on their learning but it has a huge impact on other children in their class, as their late arrival disrupts everyone's learning. Please ensure your child is on time for school.

### Reporting Absence

Thank you for continuing to inform us when children are going to be absent from school. The EWO (Education Welfare Officer) has informed us we must have a full reason for absence- it is not only important for the safeguarding of the child who is absent, but also for anyone in school who may be affected by contagious illnesses such as chicken pox, sickness bugs etc. By letting us know the reason, it helps us to keep our attendance data up to date and to track whether there are any illnesses circulating which need to be dealt with on a health and safety basis.

To report an absence, you can call the office and leave a message if it is before school opening hours, email [secretary@indianqueensschool.org](mailto:secretary@indianqueensschool.org), or call as soon as possible after the office opens at 8am.

At Indian Queens Primary School, we believe it is important for our pupils to learn how to treat others with kindness and respect. Parents have an important role to play in modelling this behaviour for their children. Therefore, we ask parents to kindly refrain from using inappropriate language, or from speaking to staff in a way that is rude, intimidating or threatening, either in person or via personal social media platforms.

We always welcome parents to get in touch either by phone or email at [hello@indianqueensschool.org](mailto:hello@indianqueensschool.org) so we can resolve matters in a mutually agreeable and calm manner.

Yasmin was born with Spina bifida and is an incredible young girl. There are some great prizes so far with more still to come- the support has been amazing and a huge thank you to all the local businesses and to every one of you who has supported Yasmin to achieve her freedom.
