Online Safety

We have had some reports about unkind things being said to children on online games, particularly on Fortnite which is a 12+ game. Please can we remind all parents that all online games have age restrictions and to please be vigilant when children are online.

Websites such as [Parent guides | Parent Zone](#), [Online Safety for Children - Tips & Guides | NSPCC](#), [Thinkuknow - home](#) have some really useful information regarding children using online games and general internet use. There is a more comprehensive list available on the [Aspire Academy Trust website](#).

At Indian Queens Primary School, we believe it is important for our pupils to learn how to treat others with kindness and respect. Parents have an important role to play in modelling this behaviour for their children. Therefore, we ask parents to kindly refrain from using inappropriate language, or from speaking to staff in a way that is rude, intimidating or threatening, either in person or via personal social media platforms.

We always welcome parents to get in touch either by phone or email at hello@indianqueensschool.org so we can resolve matters in a mutually agreeable and calm manner.

Parking

Please could we remind anyone dropping off/collecting children, to park considerately to other road users and pedestrians.

We have had reports from concerned parents and members of the community that parents have been causing an obstruction by parking on the pavement at the top of the Drang, making it difficult for pedestrians to cross the road safely.
