Collection/Drop off

Please can we remind anyone dropping off/collecting children that facemasks still need to be worn on the school site, unless you are medically exempt.

Please do not congregate whilst waiting to drop off/collect children and remember to leave the site as soon as possible afterwards to make space for others.

All school gates close at 8.50am each morning- please ensure your child arrives before this time so they are not late into class.

Thank you

On Friday 14th May we are holding a non-uniform day to raise money for Cash for Kids and the NSPCC Number day. Both charities support children and families struggling during the pandemic. For a donation of £1, the children can come to school in non-uniform.....or perhaps even number themed fancy dress?

Club Confirmation

Club slips have now been sent out. Please ensure you have read the slip carefully as it will give you a time/place for collection after clubs. Once the payment item 'Clubs Summer Term 2021' has appeared on your child's ParentPay account, please complete the £4 payment using ParentPay only- we are unable to accept cash. *Thank you*

Change to Week One Menu

Friday's option will now be **Fish and Chips** instead of Fishcake and Chips, each time we are on the week one menu.

We have signed up to be part of 'Together with Music' (TwM) which makes links in the community through music. We are part of the first UK wide project connecting schools with care homes.

Together with Music is a campaign created to encourage and inspire community connections both now, in this new virtual world and in the future when we can be together in person once again. The platform has been created to inspire, support and empower care homes, schools and community groups to play an active role within their neighbourhood. Through music and the act of music making, sustainable and creative connections can be made which will, in turn, build stronger, healthier and more integrated communities for years to come.

We know that life is filled with many challenges and obstacles, rules and restrictions and through Together with Music, we are trying a unique and creative way to support those most vulnerable whilst staying connected to your community. We will be videoing songs and creating artwork and messages of hope to share via the 'Together with music' platform/portal which will then be shared with local care homes.

Consent Forms

We would greatly appreciate your permission to share the videos (no names of children will be given) via the Together with Music portal (which is not accessible to anybody else other than the local care homes that have been connected.)

An electronic consent form will be emailed out to all parents/carers soon.
