# CORNWALL VIRTUAL WINTER SCHOOL GAMES

MONDAY 9TH – FRIDAY 13TH NOVEMBER 2020

The Cornwall Virtual Winter School Games will take place from **9th until 13th November** with virtual challenges running throughout the week including a '**Create Your Own**' challenge as well as '**Making up the Miles**', where children and young people can walk, run, bike, scoot or wheel to accumulate as many miles across the week for their year group as possible.

This is a great opportunity for pupils to represent their school and achieve points for their year groups.

As a school, we will be integrating different challenges into the children's PE lessons and make it a focus for the week to emphasise the importance of being active.

Throughout the week, you can encourage your child to 'Make up the miles' by walking, cycling, skating or scooting to school. See information about the point system attached. Please let your child's teacher know how many miles you have accumulated by **Thursday 12th November**. There is also an opportunity for the children to create their own challenge for their friends to have a go at doing, for more information please see attached.

*If you would like to share photos on facebook/twitter of how your child/children have been Making up the Miles', please send us an email at [secretary@indianqueensschool.org](mailto:secretary@indianqueensschool.org)*
