Measuring forces in Kestrel class

This week, we have taken part in a virtual Anti-bullying assembly, been more active coming to school and **welcomed Meldreth Preschool staff to our team.** School leaders under the direction of our school Governors now run the Preschool. At Meldreth Primary School, the welfare of your child is of uppermost importance to us and our provision for all children is tailored to support each child's learning and development. We are delighted to welcome our preschool families and will continue to support our youngest children's learning through purposeful planned play opportunities.

Parent Consultation Meetings

This term, our parents' consultation meetings will take a different look. After half term, your child's class teacher will provide a written overview of your child at school, which will be uploaded to your MCAS account. Following this you will be invited to make phone contact with staff. Remember that you and your child's teacher are a partnership. If you have regular contact with the teacher and keep the same goals in mind, then your child will see the benefit.

Since we returned from the summer break, we have been busy updating information for you on [our class website pages](#). Please do visit these to find recent photographs of the children's learning in school, how we assess your child and how to support your child at home. We seek to put as much information as possible [on our website](#).

Annual Childhood Flu Immunisation - 16th October 2020.

This is **your last chance** to consent or decline at: <https://tinyurl.com/y8wklivr> to help protect your child against flu. Flu can be a dangerous illness and can cause serious complications.

School Health & Safety Reminders

- Please **photograph any comments written in your reading diary** and upload these to Tapestry or email your child's class teacher with the comments – Thank you
- As the autumn term weather has definitely changed this week, we remind you to please ensure that your child has a **warm sweatshirt and coat to wear every day**. We will continue to ensure that classrooms are well ventilated, which means that the rooms are slightly cooler than normal.

School Awards

Congratulations to our **Star Writers** this week: **Bethany P, William M, Charlee F, Edward D, Zoe F, Simon D**
Our staff nominated **Otis I, Amelia L, Matilda P, Kara H, Toby C, Tia WB** for this week's **Headteacher Award**
Well done to our **Olympic Values Award** winners: **Rufus B, Lewis W, Isla B, Alex F, Isaac W, Bertie L**
