

English

- Each day this week, write a diary entry about what you have been doing.
- Each day go on the following website - <https://www.topmarks.co.uk/english-games/7-11-years/spelling-and-grammar>
There are 21 activities – do 4 different ones each day.

Maths

- Play on [Times Table Rockstars](#) every day.
- Access <https://whiterosemaths.com/homelearning> for daily lessons on a range of maths concepts
- Using a piece of paper or card, make four dice
- Using the dice, throw the dice and record the numbers as a 4 digit number. Throw the dice again and create a number that is less than the first number. Now add or subtract – continue until you have done 12 addition and 12 subtraction sums – do this for 2 days.
- Think of a 3 digit number and then multiply by 6,7,8 or 9 – create 12 sums – do this for 1 day
- Think of a 3 digit number and then divide by 6,7,8 or 9 – create 12 sums – do this for 1 day
- Think of a 3 digit number and then multiply or divide by 6,7,8 or 9 – create 12 sums – do this for 1 day

Art

- Get someone in your family to take your photo as a side profile then draw an Egyptian headdress like the ones below.

Everyday

- Read your reading book.
- Practise your times tables.
- Practise the Year 3/4 spelling list.
- Do something that makes you happy.

Ancient Egyptians Week Commencing 20 April

History / Geography

- Create a time line by researching and drawing the key facts below then place them on a time line.

First pyramid built; Hyksos people invade Egypt; invention of the Nilometer; Alexander the Great conquers Egypt; When Cleopatra becomes Queen; Rosetta Stone carved; Hieroglyphics first used; Egyptians introduce Gods to all areas of their lives

D&T

- Using thick card, make an Egyptian bangle. Lots of designs are on the internet if you don't like this one.

Computing

- Researching for History work
- To improve your touch typing skills go on www.dancemattypingguide.com/dance-mat-typing-level-1/stage-1/

Science

- Bug hunt – go into our garden and look for bugs. I would like you to draw a venn diagram with elements of your choice e.g. has wings, has a hard shell and write / draw the bugs that you find in the correct set – try to find something for the middle set.

Languages

- Go to this website www.duolingo.com
There are daily lessons, which last 10 minutes. They are about listening to and writing simple sentences in French. Do this every day this week please.

Physical Education

- Throw and catch a ball either with someone from home or against the wall.
- Create a circuit in your back garden that includes star jumps, running on the spot and press ups.

Religious Education

Research and then write a story board about Rama and Sita.

If you would like to share any pictures or videos of things you have done, we would love to see them!
