Your School Photographs

Dear Parent,

We are visiting school to take your child's photograph on Tuesday 5th November 2019.

It is very important to us that the photographs reflect your child as you see them. To help us maintain the tidiness of your child for their photograph, please ask them to take a comb or brush into school on photograph day/s. A clean school uniform, (if one is worn for school) may be required also.

Families with pre-school children can be photographed with their brothers & sisters in school from 8.30 am.

To help school organise this particular day will you please return the slip below, indicating what you would like.

Please note that if your child has a brother or sister in school, to save the school's time, they will only be photographed together unless you specifically wish to purchase an individual photograph.

After the photographs have been taken a proofcard will be sent to you, offering a choice of packages. IMPORTANT to ensure that you are included in free delivery to school, please return your order with your proofcard to school before the date shown on your proofcard.

We greatly appreciate your help. Thank you.

Yours sincerely,

Michelle Fowler

Please return this reply slip to school immediately.
