

## English

- Read your favourite book and use actions to help you learn the story.
- Use spelling shed to practise your spellings.
- Write your own superhero adventure!

## Maths

- Measure objects at home using cm on a ruler or using other small objects e.g. pencils.
- Practise counting in 2's, 5s and 10s everyday.
- Look at different coins, name and order them.

## Science

- Research and create a poster about the 4 seasons.

## D & T

- Find a recipe book and make something with your family – take a photo to show us what you made.
- Make a superhero out of different materials found around the house.

## Art

- Draw your own superhero. What would their super power be?
- Look at the work of Andy Goldsworthy. Create a natural sculpture in your garden. Take a picture to show me!

## Reading

- Read your reading book everyday.
- Read a poem, if it rhymes spot the rhyming couplets.

For the whole week, be kind, be good, be helpful, tidy up your bedroom, go to bed on time – and have fun!

## Religious Education

- Research Holy Week and explain why it was important to Christians.

## Computing

- Complete some of the activities and play some of the games found on the following website:  
<https://www.bbc.co.uk/cbeebies/shows/nina-and-the-neurons>

## History / Geography

- Research and create a fact sheet about the life of Grace Darling.

## Physical Education

Do star jumps for 1 minute 5 times per day. Count how many you do each time and see if you can get better!

## Phonics

- Use [www.phonicsplay.co.uk](http://www.phonicsplay.co.uk) (free resources) to practise your phonics.
- Learn 4 new sounds.
