## Newsletter 6 Term 5 - Friday 28<sup>th</sup> May 2021

Dear parents and carers

It is such a lovely feeling to be at the end of a more normal term during which we haven't had to close the school or bubbles. Although we are starting to be able to feel more reassured we are still conscious that there is the risk of a rise in infections. Along with this newsletter you will have received information about infections over the half term and when you need to make contact. I hope you have a lovely holiday and enjoy the predicted sunny weather.

This week we have met with the contractor regarding the building of the new classroom. This will mean our Year 6 children will be within the main building by the end of this year. My current office will be extended out onto the playground to create a classroom which will be a similar to size to the existing classrooms. The Hub will then be divided into two offices and a learning space where we hope to create a dedicated library space. Although the build will start in the summer holidays it will be continuing into the new academic year. We will endeavour to minimise any impact this has on the day to day running of the school.

### Walk Safe

Children in Willow Class completed their practical 'Walk Safe' session this week and really impressed the instructor with their knowledge. Tallulah told me, 'We must not run across the road and we need to look left and right when crossing the road'. Soren was able to talk about the Green Cross Code and how important it is that they keep looking left and right when crossing the road as electric cars make no sound.

### Westbury Schools Concert

Ash Class have been busy practising with Mrs Lawrence these past couple of weeks ready to participate in the virtual Westbury Schools singing concert. We will let you know when the audio and video recordings will be available.

### Thank you

Thank you to the Dilton Marsh Parish Council for donating two laptops.

## Let's celebrate!
