

DILTON MARSH C OF E PRIMARY SCHOOL

Newsletter 2 Term 6 - Friday 18th June 2021

Dear parents and carers

Next year there will be some changes in staffing at Dilton Marsh CE VC Primary School. We offer congratulations to both Mr Foyle and Mr Bullen who have been offered secondments to other schools in the Acorn Trust as Deputy Headteachers. This is an amazing opportunity for them both to broaden their horizons and take on more responsibility. I know that they will be brilliant and wish them all the best.

We are pleased that we have secured experienced teachers to replace them. One from within the Trust and the other was successfully interviewed this week. I will be able to share more details once we have completed the necessary recruitment checks. Please be assured that the new staff members will be visiting to meet the children in their new classes and meet with staff to get an understanding of our curriculum and expectations. We will share class teacher allocations next week.

We also interviewed for an additional Teaching Assistant and I am delighted to share that Mrs Leanne Smith has been appointed. This does leave a vacancy in our school kitchen from September. If you would like more details please contact us.

Lime Class plant sale

A big thank you to all of you who supported our plant sale which raised an amazing £111 to purchase new items for their outdoor learning area.

Sport's Day - postponed

Due to the wet weather forecast on Monday we are postponing sport's day.

Save the date—Friday 25th June 2021

Remember we have a collection booked for next Friday 25th June 2021 so please save good clothing items to bring in on this date to raise money for school and help others around the world benefit from good quality unwanted clothes and shoes.

Please follow [this link](#) for information on what items can or can't be included.

Westbury Schools Concert

Our Year 2 children in Ash Class recently represented Dilton Marsh Primary School in the Westbury Schools Concert. I am delighted to let you know that the Westbury Schools concert will be ready as scheduled to show next week on the Matravers Youtube Channel.

<https://www.youtube.com/c/matraversschoolwestbury>

There will be 2 opportunities to view the performance, at 6pm Tuesday 22nd and 6pm Thursday 24th. The concert is 30 minutes long.

The video will only be allowed to run at these times and is not available for download or on demand. Once the 2 opportunities to view the concert have passed the concert will no longer be viewable. We will however be sent our school's solo items and the joint item 'Together', which has full sharing and media permissions - we will share these once we have them.

The audio version of the concert will be running on loop on Matravers Radio during Term 6.

Let's celebrate!

#WearPurple for JIA day

Harry and Topsy say a big thank you for all your kind donations to JIA. First count shows that you have raised £290.33.

We were really touched to receive a very large Thank You card this week from Butterfly Care.

Butterfly Care's clients and staff would like to say a huge thank you to all the staff and students who made such wonderful Easter Cards.

The people who received them were very happy that you had gone to the trouble to cheer them up and write such lovely messages.

They have still got them on display even though Easter has passed.
