Headteacher's notes...

We finish today for the half term break and the weather is looking brighter and warmer – let us hope that this is the start of summer! Yesterday we were over-run with Pirates in Reception and today we have celebrated the fact that we are all different by wearing a wide variety of clothes and costumes. Well done to everyone.

It has been a long and busy half term and I hope that you all have a good week.

We have a staff training day on Monday 7th June so the children return on **Tuesday 8th June**. Please read the information at the end of this letter with regards to Covid symptoms and quarantining as we are required to contact trace until Monday 31st May.

Reception September 2021

All parents of children who are starting in Reception in September are invited to come along to our **Welcome Evening, 7.00 – 8.00 pm on Wednesday 9th June**, to find out how we can work together to help your child make a confident start in school and support their learning. Under current Local Authority guidance this meeting will be held virtually via Zoom and is **for parents only**. The details of the meeting are available by emailing the school office.

Snacks

A number of children in KS2 are bringing in unhealthy snacks, eg crisps, chocolate biscuits and sweets for morning break. In line with our policy on healthy snacks, including the information sent home a few weeks ago, they will be asked to put them away in their bags. Children may bring in a healthy snack if they wish, for example, fruit or vegetable, to have during their morning break.

Parent Governor Vacancy

We currently have vacancies on the Governing Body and details were sent home earlier this month. The closing date is noon on *Friday 11th June*. A copy of the nomination form is available from the front page of the school website.

Parent Support

A course is available from PinPoint on *Positive Behaviour Support for Children* which is being held on 24th June. More details and booking information is available from:
