Partnerships with other schools and how we manage transitions:

We work with a number of schools in the area in the following ways:

- ✓ Discussions and contact with SENCOs via MAT network meetings
- ✓ Visits to other schools prior to transition
- ✓ Link with local schools regularly through physical education.

We ensure that the transition from Nursery to Reception is smooth by inviting our new intake to take part in transition days during the Summer term. Class teachers also liaise with local nurseries.

We support the transition from each year group through mixed aged year groups and team teaching i.e. sharing classes so pupils know all adults.

The transition from year 6 to secondary school is supported through regular visits to their new school throughout the year. All children attend the transition days. We encourage heads of year 7 to visit the children in their primary setting. Discussions between class teacher and the Head of year 7 take place.
