

Writing and Maths task

LO: I can write a diary

Keeping a diary

Monday 16th March 2020

06.00 am

I've just woken up to my alarm ringing loudly in my ear. I am sat writing in my diary, whilst looking out of the window. I need to get dressed ready to go to school. I feel too tired for school today. I really can't wait until my Mum picks me up later because we are going to see my Nanny and Grandad. They have been on holiday, I've really missed them.

06.30 am

I came downstairs to have my breakfast. I love breakfast. Hmmmm, I wonder what I should have today? My favourite is porridge but I have it all of the time, maybe I'll have some Rice Krispies today.

Writing task: Keep a diary of your day. Think about including the day, date and times of your entries. Include how you are feeling and what you are thinking. Remember to use the correct punctuation.
