Dear Parents/Carers,

15<sup>th</sup> January 2021

Firstly, thank you again for all the support we have received during our second week of remote learning provision along with the in-school provision for our key worker and vulnerable pupils.

A huge well done and thank you to all our parents and Summercourt families for enabling our pupils to access and complete the remote learning tasks each day. We have loved seeing all the learning being shared via Tapestry observations and via Google Classroom uploads and work being submitted. You are all doing an amazing job and I hope you all have a well-deserved relaxing weekend.

The first Teams meetings took place today and yesterday for each cohort. It was lovely to virtually see and hear all the pupils who were able to attend. If you were unable to join us this week please do not worry. These meetings will be available every week, same day, and time to support consistency and routine. We would love to see everyone joining next week.

Reminder: Year group Teams meetings. (See email sent on 12.1.21)

The join meeting links for year 1 - 6 will appear in Google Classroom on the day of the meeting.

The join meeting link for Class 1 will be emailed each Wednesday.

Please view our home learning section on the Summercourt website, this can be found under the parents tab and then home learning. The Class tabs contain examples of the weekly learning grids shared on Tapestry and Google Classroom. We are aware that these might get lost in the Google Classroom stream and will ensure they are uploaded to this section on the website each Monday for the week ahead.

The teachers at Summercourt have been and will be acknowledging the remote work shared daily as well as focussing on a feedback comment linked to completed writing tasks and any next steps. 'Triangles of Success' to support writing features have been shared on Google Classroom on Monday 11th for year 1 - 6 pupils to use to support them with their writing. Videos were also uploaded to Google Classroom created by Miss Devonport to explain how to use the 'Triangles of Success' within their writing. We will share these on social media on Monday 18th as a reminder for our Summercourt families.

Maths answers to work set will be shared daily on Google Classroom when applicable - we are requesting for parents to support the teachers by providing daily maths feeding back for their own child using this resource if required. Teachers are happy to support with this also if needed - please privately message the teachers on Google Classroom.

We have been given a limited supply of free Data Sims which we can help parents who do not have access to the internet at home, it will last 90 days and give you 30GB so please email Becky on the email address below if this could help your child with their home learning and we arrange the collection with you.
