

Summercourt Academy

Head of School: Miss L Savage

Dear Parents and Carers,

7/5/2021

The pupils have completed another fantastic week of learning - please look of our social media sites for more information on the learning covered this week. Any opportunities you have to discuss the learning completed with your child/children will help them to consolidate their knowledge and understanding further.

Next week is mental health awareness week, as always, the mental health of our pupils, staff and Summercourt community is one of our priorities. It is imperative that we support our pupils to have the tools and strategies to be able to have transparent discussions about mental health and identify how they are all feeling in an age-appropriate manner. We will be thinking about mental health next week and what this means during our weekly virtual assembly. Summercourt staff are also available to support the wider community with any mental health concerns and Mrs Lowry, our parent support advisor, is always available on a Friday morning to support also.

Reminder - Parent Evening (Spring attainment and progress)

We would like to offer parents the opportunity to book a parents evening consultation linked to the spring term attainment and progress achievements for each pupil. These are available to book via Arbor now and will take place over the phone. Teachers can offer a virtual face to face appointment via Microsoft Teams as an alternative if requested. If you would prefer a virtual face to face appointment, please contact Mrs Nugent who will arrange this for you.
