TOOLS WITH A MISSION

Tools with a Mission is a Christian Charity that send all types of used tools, sewing, and knitting items to Africa, along with Bibles and IT equipment.

Once in Africa, they are distributed to workshops, training centres, churches, schools, and individuals in need. The items are used to teach a trade so that people are able to support themselves and their families.

When they have completed the training they are each given the necessary tools to be able to earn a living. It could be a mechanics tool kit, carpenters tool kit, sewing machine and sewing kit, knitting machine and knitting kit or gardening items for example.

Donations are being accepted at Ibstock Baptist Church on Chapel Street, on Monday afternoons 2:00 - 3:30pm.

If you have any tools, spanners, gardening tools, screwdrivers, bricklaying tools, carpentry tools, etc, I will gladly collect them and deliver them for you to Ibstock.
