

Head

This is the knowledge we will gain this half term. For example:

- How Volcanoes erupt
- Why and how natural disasters occur
- Different types of rocks

Penguins Year 3 Journey of Discovery Autumn 1

Heart

The key value to let our light shine is:

- Kindness

Hand

These are the skills we will learn this half term. For example:

- To make and explode a volcano!
- Pencil and poster paint techniques
- Explore pneumatic systems
- Create an online book

Maths

- Times Table facts
- Place value
- Order and round numbers
- Addition
- Arithmetic skills

Rocks, Relics and Rumbles

Geography

- Layers of the earth
- Plate tectonics and the ring of fire
- Volcanoes
- Earthquakes
- Tsunamis

Religious Education

- What do Christians learn from The creation story?
- Harvest

History

- Mount Vesuvius
- Pompeii
- Bardon Hill – local study

Music

- Alan Hovhaness
- Explore dynamics, timbre and texture
- Compose own music

Science

- Rocks and soil
- Igneous, sedimentary and metamorphic
- Look at how rocks are formed
- Investigate how volcanoes erupt

Computing

- An introduction to book creator
- Learn how to screen shot, add images and text.
- Learn how to upload and print

Art and Design Technology

- Poster paint techniques
- Design own Volcano
- Create a Volcano using mod rock
- Explore and use pneumatic systems

Spark Day

- Geology visit from Leicester University

Personal Social and Health Education

- Me and my relationships – rules, friendships and solving problems.
- British value – Appreciation / tolerance

Physical Education

- Athletics
- Orienteering

Modern Foreign Languages-French

- Greetings and numbers to 100
- Comment ça va? Je suis
