Post 16 – Your Door to the Future

Dear Parents and Carers,

An unfortunate result of the current Covid 19 crisis is that we have had to cancel our annual information day, where students and parents / carers can access information about the options for young people in Cornwall at Post 16.

Cornwall Council have asked Post 16 providers across Cornwall to create podcasts you can all access, so that you know what is on offer and where.

If your child is in Year 9 or above, you have received an invitation in their home / school book giving you access to all the podcasts.

The event is being launched on Wednesday 7th October 2020. If you cannot find the invitation you can log on to cornwall.gov.uk/post16event.

If you have any further questions about what you hear on the podcasts, or anything else related to Post 16 options please don't hesitate to contact the Next Steps team at Doubletrees.
