

### **Ideas for looking at our topic homes – Upper Corridor**

- Discuss with your child what happens in each room of the house. What can you see?
- What do others people's houses look like? Is it the same as your house?
- What shapes can you see when you look at your house? What colours can you see?
- Read and explore the three little pigs story book,
- What do other people live in, a house, flat, tent and a cardboard box? What about other countries?

### **Ideas for our Autumn**

- Go on a nature walk. What can you see and collect? Discuss the shapes, colours and try to sort them into groups.
- Gather some leaves and make a picture,
- Go on an animal hunt what animals can you see?
- Make some leaf rubbing pictures. Find a leaf, place the paper over the top and using a crayon rub over the leaf.
