Friday 13th March 2020

Dear Parents,

It has been an extremely busy week in school, and it has ended on a high with Learning Together, Sports Relief and a Friends of Woodfield coffee morning all rolled into one! We hope you enjoyed joining in with the activities this morning and helping us to raise money for such a worthwhile cause.

Mrs Short has been busy with sporting events, last Friday taking Yr 5 & 6 to a hockey tournament and then this week a group of Yr 3 and 4 children to Sir John Hunt. Both teams really enjoyed themselves and demonstrated the core values whilst they were taking part.

I would like to thank everyone who has signed up to the new Arbor system, it is going to be our main method of communication from the office, sending in-app messages and emails. We will also be using it for booking breakfast club and after school club. I hope that lots of you have been able to use it to book parents evening, which are next week, but if you are having difficulties please speak to the office.

Lastly, we are continuing to monitor the impact of the Corvid-19 virus, and we are following the guidance from the Department for Education, if you have any worries or concerns about this or any other issue please do not hesitate to speak with Mrs Moran or myself.

Yours sincerely,  
Miss Saunders, Head of School

Thank you to everyone who joined us for our 'Sport Relief Learning Together' session this morning. The children have had a great day with lots of fun activities whilst thinking about why it is important to raise money for such a great charity.

## Value of the Month

During March the core value is:

### Cooperation

The children will spend time during assemblies, lessons and class discussions thinking about cooperation and how they can ensure that they demonstrate this value. The children will learn about how working together can help people achieve great things.

## Coronavirus

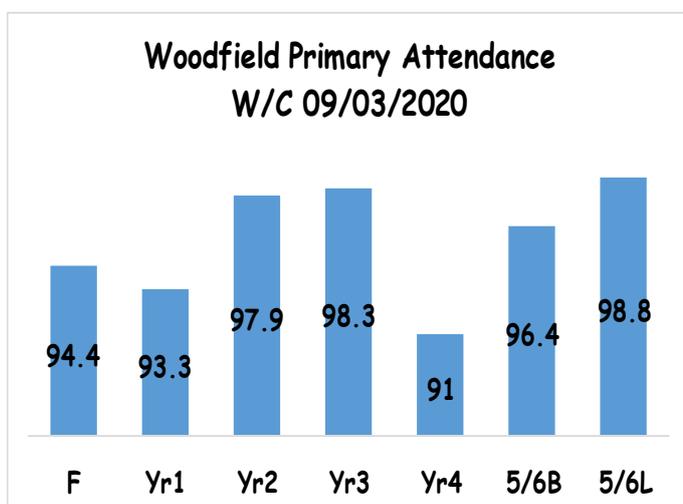

As you are aware the Coronavirus is continuing to cause concern world wide. The Department of Education have issued advice to schools, which we will continue to follow.

Please can you remind your children about the importance of using tissues if they sneeze and washing their hands with soap and water. Please can all visitors use the disinfectant gel provided in the porch when entering the school. Thank you.
