Spring 2 2021
Nursery

Hello and welcome to Nursery

This term the Nursery Team will continue to teach children in school and through home learning. We will continue to use Class Dojo, using videos for story and rhyme and a range of learning opportunities.

We will also be supporting children's learning in school on a daily basis.

Prime Areas

PSED, Communication and Language and Physical development are the very foundations of learning and we will develop these skills build confidence and build relationships with others. Talking and moving and relationships are the key skills in which children access learning for the rest of their time at school.

Traditional Story and Rhyme

We will be thinking about The Gingerbread Man's interest in the farm animals and sequence of story telling techniques shares through

We will continue to learn new rhymes and review children's knowledge of nursery rhymes and actions which aid memory and recall of the words

Speaking and listening are key to learning in EYF. Joining in and retelling will support children's learning

What is coop

Children will be developing the compassion skills to consider the big questions. Young children to develop all the skills for making and building their turn and working together cooperatively. As we develop skills, we can develop ways of showing dete

Specific areas

Literacy, Maths, Understanding the World and Creative development are the further skills which children use to explore and develop their understanding about specific ideas. The Seedlings begin to develop these skills to access the values curriculum and build knowledge.

Understanding the World and Learning Outside

Nursery has a huge focus on nature and the spring term is the perfect time to notice the changes in weather. We will be planting trees this term. Noticing together and talking about what children see as they experience first hand is perfect for building understanding of the world.

Physical development

d's development.

Characteristics of learning

It is through the Character-
istics of Learning that chil-
dren will build their values
and thinking skills through
play and exploration, active
learning and creative and
critical thinking. Children
use these skills to access all
their learning.

Number and Shape

Using fingers to count out 1-5
and 1-10.

Ordering and sequencing. First,
second third. Now and next.

Building the language of size.

Be creative

We will use the environment
to make a river scene to re-
tell the story.

The role play house will in-
clude cooking and tea time.

Dancing and singing along
will support imagination.

Targets

Everyone will have three targets this term:

1—To be engaged with their learning

2—To be respectful to each other

3—To continue to stay safe

Other Information

Please use Class Dojo to access all your child's home learning. Please continue to comment and share photos of your child's engagement with the learning so that we can continue to build your child's Learning Journey evidence. We love to see the photos and will keep them for your child's learning journey.

Mrs Packer and the Nursery Team will be contactable via Dojo during school working hours but please be aware that we may be teaching the children in nursery at the time of your message, so I may not be able to respond right away. If you have an issue that needs to be dealt with straight away, please contact the Nursery Office on 01572 781943 or nursery@woodfielpri.co.uk

If you have any concerns, questions or just need a chat, then please contact Mrs Packer, your child's key person or any of the Nursery Team
