5th November 2020

Dear Parent/Carer,

REMINDER LETTER: IMPORTANT INFORMATION REGARDING NUT ALLERGIES IN SCHOOL

I am just writing to remind you about our nut-free status as a school.

We currently have children in our school that have an allergy to nuts. Our school kitchen is well equipped to deal with any allergies, so the more serious concern for us is the food the other children bring in for packed lunch, or snacks.

I would like to remind parents that we require you to not send any item into school that contains nuts please. This means checking packing very carefully as we have recently found children with food sent in that does contain them. It is important for us to stress how crucial and serious this is, as this may pose a threat to the safety and wellbeing of our pupils. We will be doing some work with the children in school regarding allergies to support this and very much appreciate the co-operation of all parents to make sure we can keep every child at Oakmeadow completely safe.

Thank you

Mrs S Hill
Deputy Headteacher
