9th September 2020

Dear Parent/Carers

We would like to share with you the guidance that we as a school must follow in the event of a suspected COVID case. This flow chart details the actions that will be taken if the symptoms occur at school or whether they are reported to us by parents or carers.

We hope this gives you further clarity on the procedures that we follow and also some details on the actions to be taken by yourselves. We ask you to please ensure that you have read and followed the flowchart, prior to calling the school to let us know your child has symptoms. The symptoms are listed along the left hand side of the flowchart for your reference.

Please find attached management of suspected cases of COVID 19.

Kind Regards

The Oakmeadow Leadership Team
