Dear Parents/Carers,

BT Lockdown Learning Connectivity Offer

BT have launched a Lockdown Learning Kids support package, giving free, unlimited mobile data to families in England until July 2021. Schools, trusts and local authorities can help disadvantaged children get online using free mobile data increases or 4G wireless routers provided by the Department for Education. Families can apply through their children's school.

You can request this support for your child(ren) if you believe you meet all 3 of these criteria:

- do not have fixed broadband at home
- cannot afford additional data for their devices
- are experiencing disruption to their face-to-face education

If you feel you meet all three of this criteria please email Samantha.hill@oakmeadowprimary.co.uk to register your interest and we will provide you with more details

Thank you

Samantha Hill
