4th December 2020

Dear Parents/carers,

Oakmeadow's Winter Wonderland Walk 2020

We have been considering how, in the absence of the usual pantomime visits and school productions, we can adapt our annual Winter Wonderland to suit the current circumstances and still provide an event for our children and families to be involved in. This year therefore we have decided to light up our running track to create a **Winter Wonderland Walk!** From **14th – 16th December, 4-6pm each day**, the running track will be decorated with lights and Christmas scenes made by the staff and children. We will also have a glow stall run by our fabulous PTA and Santa may even pop by to give the children a wave!

In order to ensure this event is Covid Secure and to meet Tier 2 restrictions, the following will apply:

- Entry will take place in groups at allotted times, pre-booked via our Teachers2Parents system. You will receive a link for this. No 'on the day' entry will be permitted.
- Hand sanitising station on entry and exit.
- Face coverings must be worn on site.
- Groups of no more than 6 people in one slot.
- Staggered entry times at 5 minute intervals to ensure that groups do not mix.
- The event to be entirely outside to comply with Tier 2 guidance on mixing indoors.
- Stewards around the track to ensure groups do not meet or overtake.
- Limited numbers – the timed slots necessary mean that there will be limited tickets available. These will be sold on a first come, first served basis. (If you don't manage to secure a ticket then we will put you on a priority list for the next event we plan to hold later in the year on request).
- Contact details to be confirmed on entry.
