16th October 2020

Dear parent/carer,

Nursery individual photographs.

We would very much like to offer our nursery children individual school photographs and have been considering the best way to do this in light of the current climate and following the Governments COVID guidance. Due to the need to limit visitors within school and retain our bubble system, this means we are unfortunately not able to offer all nursery children the opportunity to have their individual photo taken on the same day this term. We have been discussing solutions and therefore would like to arrange for all of our nursery children to have their individual photo taken in the summer term when hopefully we will be able to be a little more flexible and also the children are generally more settled during this term. We hope you agree this is the best way forward at this time.

Yours sincerely
