Dear Parent/Carer

From September 2020 your child's new class will be Robins.

Your child's teacher will be Miss Gries.

#### Introduction from the class teacher:

Hello and welcome to Robins class! My name is Miss Gries and I will be your child's teacher next year.

Here is a little bit of background information about me. I have 5 year's background within safeguarding, including time spent working with the NSPCC in London. After having spent time living in Birmingham and London, I feel I am more suited to life in the countryside close to my family. This will be my second year of teaching at Oakmeadow and I am thoroughly looking forward to welcoming your child into Robins class. I am very enthusiastic and passionate about my role and cannot wait to get into class and have a great time with this year's Robins. In my spare time I enjoy exploring new places with friends and family.

Unfortunately due to the current circumstances we will be unable to have our usual move up fortnight where you get to move into in your new classroom with your new teacher and Teaching Assistant. To replace this, I will be shortly posting a video of your new classroom together with some information about the exciting work we'll be starting in September when we look forward to welcoming you all back to Oakmeadow.

If you have any questions about the year ahead, please do not hesitate to contact me.

Best wishes

Miss Gries
