Reference: Parent/carer update

Dear Parents/Carers,

As we approach the bank holiday we have no further information to report on the reopening of schools. The Prime Minister has stated that he will make a national statement on Sunday on the roadmap for the future.

I hope that you will understand that Headteachers will need time to process the roadmap and as a Trust we will work together and with colleagues from around Shropshire on what the plans will be. We aim to get information to you as soon as we can, however this is a substantial task so any reopening plans will not get to you until week beginning the 19th May. We do realise that this is a difficult time for families but we ask that you work with us on this; if we can get the plans to you earlier we will.

The Trust is sending out a survey today for all children and parents to complete, as we would like to know how home learning has gone for you and your children. Any suggestions on how we could improve would be welcomed.

Once again thank you for all the work you are doing to support our schools during this very difficult time. We all appreciate it greatly and we are looking forward to reopening and seeing you all again, even if it will be very different at first.

The Trust will update you as soon as we have more information to share.

Thank you for your patience.
