### World Book Day – Thursday 4<sup>th</sup> March

We are all, very much looking forward to World Book Day next week.

How exciting that we had personalised messages from several authors, and have had the opportunity to ask them questions.

Miss Lewis has planned, and coordinated, lots of surprises and lovely activities for all of our children, both in school, and learning remotely, so look out for those.

Thank you to Stories\_bythe\_sea for their continued support.

### Final note...

I was absolutely delighted that the news was for all children to return to school, was announced this week.

I am very aware that many people; staff, parents and children, may have some anxieties about the return. I would like to reassure you, that this return is no different, in that we will once again review our risk assessment and take all the steps we need to, ensuring school is as safe as we can make it, applying all the protective measures within the guidance.

I will send out a detailed letter next week, with the full arrangements but hopefully this has been the last lockdown and we can look forward to more normality going forward.

Above all, we are all looking forward to having all of our children back in school. I cannot wait!

We look forward to seeing you on the 8<sup>th</sup>.

Take Care

Mrs Farrar
