Headteacher:
Mrs Jacqui Dommett

18th March 2020

Dear Parents and Carers,

Key Stage 2 swimming will go ahead tomorrow.

The coach is large enough to allow the children to spread out and not be too close to each other for the journey. We will take hand sanitiser for the children to use on arrival at the leisure centre and before they get on the coach to return home. We will ask them to wash their hands when they return to school.

If you would prefer that your child does not go swimming, please let us know and we will arrange for them to remain at school. If a large proportion of parents express this preference we will review the situation.

Yours sincerely,

Jacqui Dommett

Head teacher
