

Mathematics

We will be learning about Place Value within 10.

We will count one more or one less from any given number to 10.

We will compare groups.

We will be learning about addition and subtraction with 10.

We will use the part-part-whole method.

We will find number bonds for numbers within 10.

PSHE

We will be following the SCARF programme 'Me and my Relationships' which focuses on:

- Why we have classroom rules
- Thinking about feelings
- Our feelings
- Feelings and bodies
- Our Special People balloons
- Good friends
- How are you listening?

P.E.

We will be working on the 'fundamentals' unit during P.E. sessions where we will focus on travelling in different ways.

Science

We will learn about the 4 Seasons.

We will observe and discuss the changes over all of the seasons.

We will observe and describe weather associated with the seasons and how day length varies.

We will conduct simple scientific tests.

We will learn how to gather and record data.

English

There will be a range of fiction and non-fiction books about adventures and exploring.

We will continue to learn the RWI Set 1 & 2 sounds and apply them in our reading and writing.

We will be sharing the story 'We're going on a bear hunt', making our own story maps.

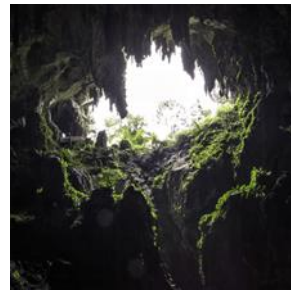

We will be learning how to say a sentence before writing it.

We will work on becoming independent writers by writing down the sounds we can hear in words.

We will focus on writing sentences using finger spaces, full stops and capital letters.

We will learn how to use descriptive words (adjectives) in our writing.

We will design our own fantasy worlds.

PUFFIN CLASS AUTUMN TERM 1 2021 Year 1

LET'S EXPLORE

Art

We will work on our observational drawing skills.

We will learn about collage and create pictures using this technique.

We will explore different materials to make textures within our collage pictures.

R.E.

We will focus on the question 'Who do Christians say made the world?'

We will explore the idea of a Creator and what they may be like.

We will learn about the Creation story in the Bible.

We will think about how Christians may thank God for his creations.

We learn about Harvest and how it links to the creation story.

Humanities

We will learn what Geography is.

We will learn about maps and how/why they are used.

We will look at our school environment and devise a simple map.

We will discover where Cornwall and Padstow are, using maps and aerial photographs.

We will learn to name, locate and identify characteristics of the four countries, capital cities and surrounding seas of the UK.

We will learn what History is.

We will learn about what explorers are.

We will develop a historical understanding of the lives and significance of Christopher Columbus and Neil Armstrong.

We will think about what kit is needed for an expedition and compare the equipment used by Columbus and Armstrong.
