

COADS GREEN PRIMARY SCHOOL

COADS GREEN,
LAUNCESTON,
CORNWALL
PL15 7LY

Tuesday 5th January 2021

Dear Parents,

As you will by now be aware, following the announcement by the Prime Minister, Coads Green Primary School is now closed to ALL pupils until at least February half term.

The Government guidance issues last night has asked that **PARENTS KEEP CHILDREN AT HOME WHEREVER POSSIBLE**, and has asked schools to remain open **ONLY** for those children who **ABSOLUTELY** need to attend. The aim is to keep the numbers of pupils attending school at an absolute minimum. However, we recognise that there will be parents who will require childcare as their work is critical to the COVID-19 response. Thank you to all the parents who have contacted us so that staffing arrangements can be made.

Please respect the fact that we will do all we can to ensure provision, but as the weeks progress, this may become increasingly challenging and for that reason we ask that you **only send your children when absolutely necessary**. Further Key Worker information will be sent this afternoon.

Remote Learning

All learning will now move to a blend of remote learning and prepared tasks. Please bear with us as we make preparations. The majority of tasks will be set on Just 2 Easy—the children have been working with their teachers in preparation for this. Microsoft Teams will be used to provide “live” lessons. Further information regarding learning and the collection of paper packs will come out to you later in the week.

We understand the challenges that surround remote learning, but we know that we will have your full support. Should you need any support or advice, the following emails addresses may be used to contact your child’s teacher:

Class 1: hthorpe@andaras.org

Class 2: sdempsey@andaras.org cbader@andaras.org tcruise@andaras.org

Class 3: ostephens@andaras.org

Any general enquiries relating to lockdown can be made to coadsgreen@andaras.org.

I will keep you informed of new information as I receive it and thank you for your continued support.

Please stay safe and well.

Best wishes,

Claire
