

IMPORTANT – please read this information before completing this risk assessment.

This is a model risk assessment and **MUST be adapted to reflect the significant hazards and control measures present in your site** to allow the safe return of pupils and staff to your school. This is a live document and it must be continuously reviewed alongside the latest Covid-19 government guidance. It must also be read alongside existing risk assessments and health and safety arrangements for your school.

The control measures listed **are prompts** and will not necessarily reflect those in all establishments and you **MUST** adapt it by adding (or removing) **and outlining in detail the control measures as appropriate to your establishment.**

If you would like support for confirmed cases of COVID-19 call the DfE Coronavirus helpline on 0800 046 8687, they will work with you to assess the risk and advice what actions to take. Please do report confirmed cases to Cornwall County Council using phnotifications@cornwall.gov.uk You may also call the PHE SW Health Protection Team for advice on 0300 303 8162 if the following applies; you have taken action but are still seeing more cases, you think you may need to close your setting (you should also email the school priority alert mailbox phnotifications@cornwall.gov.uk if someone in your setting has been admitted to hospital or you are getting significant media interest). Special schools, boarding schools, or special post 16 providers should call the PHE SW Health Protection Team straight away.

	Establishment/Department:	Establishment Risk Assessment	RA100 V2.4
	Address:		
Person(s)/Group at Risk Staff, Pupils, Visitors and Contractors	Date assessment completed: This document is to remain under constant review due to the fast-changing nature of DfE / Government guidance in response to the challenges posed by Covid-19.		Assessor(s): Claire Bader Emma Gooding Reviewed November 3 rd 2020 Reviewed 4 th January 2021 Reviewed 5 th January 2021 Reviewed 1 st March 2021 Updated 18 th March 21
<p>Return to school risk assessment – based on the principles and guidance contained within DfE Guidance. The following guidance to reflect the changes announced by the Prime Minister on the wider reopening of schools and colleges from Monday 8 March:</p> <ul style="list-style-type: none"> • early years and childcare providers • actions for schools during the coronavirus outbreak • special schools, special post-16 providers and alternative provision <p>It is a legal requirement that schools should revisit and update their risk assessments (building on the learning to date and the practices they have already developed), to consider the additional risks and control measures to enable a return to full capacity in the autumn term. This risk assessment is generic, and each school is responsible for reviewing and amending to ensure it is applicable to their setting and the latest government guidance and <u>must consult with their staff regarding the risks and control measures being implemented.</u></p> <p>General guidance on completing risk assessments is available at arrangements note HS47. When conducting the risk assessment. it is important that the school adopts a considered collaborative approach in line with DfE Guidance.</p>

Significant Hazard Section	Control measures in place <i>Additional measures or actions not included in this column below should be put in the assessor's recommendations at the end of this document</i>	Optional: School's comments re. mitigations put in place
Social distancing and reducing risk of transmission		
Definition of close contact	<p>When completing your risk assessment, it is important that your mitigations control measures in all aspects of the school day, considers PHE definition of 'close contact'. The following definition of 'close contact':</p> <p>Manage confirmed cases of coronavirus (COVID-19) amongst the school community. (Close contact means): The current definition of close contact in a school setting is shown below.</p> <ul style="list-style-type: none"> ○ face-to-face contact including being coughed on or having a face-to-face conversation within one metre (this will include times when you have been wearing a face covering or face mask) ○ been within one metre for one minute or longer without face-to-face contact ○ been within 2 metres of someone for more than 15 minutes (either as a one-off contact, or added up together over one day) ○ travelled in the same vehicle or a plane (this includes school transport) <p>Focusing on obtaining mitigations to reduce close contact, will reduce staff and pupil absences when there are cases within the school. Note that the use of face masks and other forms of PPE does not exclude somebody from being considered a close contact (unless they are providing direct care with patients or residents in a health and care setting, NHS Test and Trace: how it works - GOV.UK (www.gov.uk))</p>	

<p>Entrance and egress to school site causing large groups of people inside school grounds compromising social distancing.</p>	<p><i>Stagger drop-off and collection times avoiding any changes to pupils that arrive at school on school transport where possible. Provide information to parents. If possible, only one parent to attend. Use alternative drop off locations where possible. Schools should also have a process for safely removing and disposing of / storing face coverings when pupils and staff who use them arrive at school and communicate it clearly to them, following the recommendations in the government guidance Staying safe outside of your home: face coverings and Guidance for Full Opening. Pupils must be instructed to wash their hands, on arrival.</i></p>	<p><i>Drop off and collection points are staggered, A one-way system is in place, all information was communicated to parents on 14th May and 15th July.</i> <i>All pupils wash hands on arrival.</i> <i>Face masks to be introduced for parents entering the school site to drop off or pick up.</i> <i>The current arrangements for drop off and collection will remain in place with monitoring to continue.</i> <i>Parents will be reminded not to wait around in the playground.</i> <i>All staff and parents will continue to wear facemasks in communal areas, including the playground.</i> <i>Staggered drop off and entry points will continue.</i> <i>No parents are accessing the school grounds in the current lockdown. The front door is being used as entry and access point for KW pupils.</i> <i>All staff and parents will continue to wear facemasks in communal areas, including the playground.</i> <i>Staggered drop off and entry points will continue.</i></p>
<p>Parents gathering at school gate not social distancing</p>	<p><i>Plan parents' drop-off and pick-up protocols that minimise adult to adult contact. Make clear to parents that they cannot gather at entrance gates or doors or enter the site (unless they have a pre-arranged appointment, which should be conducted safely).</i></p>	<p><i>Drop off and pick up areas have been designated and each group of pupils will use different entry and exit points. This is to be monitored by staff members.</i> <i>Face masks to be introduced for parents entering the school site to drop off or pick up.</i> <i>The current arrangements for drop off and collection will remain in place with monitoring to continue.</i> <i>Parents will be reminded not to wait</i></p>

		<p><i>around in the playground.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>No parents are accessing the school grounds in the current lockdown. The front door is being used as entry and access point for KW pupils.</i></p> <p><i>Drop off and pick up areas have been designated and each group of pupils will use different entry and exit points. This is to be monitored by staff members.</i></p> <p><i>Face masks to be introduced for parents entering the school site to drop off or pick up.</i></p> <p><i>The current arrangements for drop off and collection will remain in place with monitoring to continue. Parents will be reminded not to wait around in the playground.</i></p>
<p>Overcrowding in classrooms and corridors.</p>	<p><i>Children are to be grouped into consistent groups with contact between groups avoided (see Curriculum section below). Desks should be forward facing and spaced as far apart as possible and arranged so that face to face seating is avoided. Set out classrooms where possible to ensure access to outside space and their age appropriate equipment and resources, whilst preventing mixing with other groups. Removal of some furniture may be required to enable this. Reduce movement around the school using timetabling and appropriate selection of classroom or other learning environments. Stagger assembly groups</i></p>	<p><i>Each group has designated base and staff members. No groups will mix with others except for b/c, asc and RWI – note these groups will remain consistent as per guidance. Tables will be set in rows front facing. Additional spaces will be timetabled, this includes lunch space and outdoor areas.</i></p> <p><i>Lunchtime has been reviewed with staff and pupils via pupil conferencing. MTA serving lunches to wear a face covering.</i></p> <p><i>Timings to be continued to be reviewed. During wet lunchtimes, packed lunch pupils to remain in main school building and eat lunches in class bases (with the exception of class 1 who will use</i></p>

		<p><i>the teaching and learning space adjacent to class 2).</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>During the current lockdown, KW pupils are accessing and using class 2. The middle teaching and learning space is being used for Breakfast club and lunchtimes.</i></p> <p><i>Each group has designated base and staff members. No groups will mix with others except for b/c, asc and RWI – note these groups will remain consistent as per guidance. Tables will be set in rows front facing. Additional spaces will be timetabled, this includes lunch space and outdoor areas.</i></p>
Risk of transmission within EYFS settings	<p><i>Updated Guidance for EYFS (February 2021 early years and childcare providers) to be followed. removes keeping children in small consistent groups within settings, but still minimising mixing where possible taking into consideration increased risk factor to staff.</i></p>	<p><i>Above guidance will be considered and acted upon by EYFS staff. Government guidance will continue to be included in operations and reviewed, as necessary.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>During the current lockdown, the EYFS setting is closed for all pupils. Government guidance will continue to be included in operations and reviewed, as necessary.</i></p>
Groups mixing during breaks and lunchtime compromising social distancing.	<p><i>Staggered break times and ensure appropriate supervision is in place. Use different playground locations where possible Staggered lunchtimes & in set groups with handwashing – tables kept apart. Or lunches delivered to classrooms. Ensuring everyone keeps further apart than normal. Cleaning of tables between uses by different groups.</i></p>	<p><i>Different areas for break times and lunch times will be used by each group of pupils. Staff members will be allocated, and they will stay with the same group of pupils.</i></p> <p><i>Lunchtimes have been split into two with 2 groups changing spaces</i></p>

		<p><i>after a clean has occurred. Staff have been allocated for lunchtimes. Timings will be challenging so this will need careful monitoring, especially at lunchtime.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>KW pupils are operating as 1 bubble during the current lockdown. Different areas for break times and lunch times will be used by each group of pupils. Staff members will be allocated, and they will stay with the same group of pupils. Lunchtimes have been split into two with 2 groups changing spaces after a clean has occurred. Staff have been allocated for lunchtimes. Timings will be challenging so this will need careful monitoring, especially at lunchtime.</i></p> <p><i>A review of lunchtime procedures has taken place following arising issues. These issues were discussed with the staff and COG and also the H and S lead in the Trust.</i></p> <p><i>From 22nd March, lunchtime arrangements will be altered to take into account the importance of pupil's EHWB (which currently supersedes the risk of COVID – 19). All pupils will eat their lunch in the hall, sitting in class bubbles (front facing) with additional ventilation. Once finished, all pupils will play outside. The field will be used as much as possible to provide additional space.</i></p>
--	--	---

<p>Wraparound provision: Groups mixing during extra-curricular provision</p>	<p>Schools should work to resume any breakfast and after-school provision, where possible, from the start of the autumn term. Carefully consider with external providers how such provision can work alongside wider protective measures, including keeping children within their year groups or bubbles where possible. If it is not possible to maintain bubbles being used during the school day then use small, consistent groups. Schools can consult the guidance produced for providers who run community activities, holiday clubs, after-school clubs, tuition and other out-of-school provision for children, as much of this will be useful in planning extra-curricular provision. Where parents use childcare providers or out of school extra-curricular activities for their children, schools should encourage parents and carers to seek assurance that the providers are carefully considering their own protective measures, and children should only attend settings that can demonstrate this. DfE have issued guidance for parents and carers, which schools may want to circulate.</p>	<p>It will not be possible to maintain bubbles being used during breakfast club and after school club but the groups will be small and consistent.</p> <p>Breakfast and after – school club will continue to operate in line with Tier 3 restrictions.</p> <p>Breakfast club is operational during the current lockdown, but after school provision is not.</p> <p>It will not be possible to maintain bubbles being used during breakfast club and after school club but the groups will be small and consistent.</p>
<p>Spread of virus due to increased numbers of people within the building.</p>	<p>Inform parents that if their child needs to be accompanied to school only one parent should attend</p>	<p>This will be monitored by 2 staff members – at entry and exit points. Parents have been asked to only enter the playground if necessary. No parents are able to enter the school building.</p> <p>Some parents have made appointments to see members of staff and this has been carried out with appropriate SD and face coverings. It is likely this will not continue during the 4-x week second lockdown which will commence on Thursday 5th November.</p> <p>Parents who wish to make an appointment to see a staff member may do so as long as face coverings are worn, and restrictions adhered to e.g., social distancing. Visitors are to be kept to a minimum.</p> <p>No parents are allowed in the school grounds. KW pupils are accessing school through the front door only. All gates remained padlocked.</p>

		<i>This will be monitored by 2 staff members – at entry and exit points. Parents have been asked to only enter the playground if necessary. No parents are able to enter the school building.</i>
Staff	<i>Staff should maintain Public Health guidance of 2m wherever possible. If reduced to 1m as long as mitigations are in place, e.g. not face to face or wearing PPE (face covering doesn't count) or a Perspex screen in place. The priority is always to try to maintain 2m social distancing, but where this cannot be achieved, regular hand washing/cleaning and good respiratory hygiene are also important for both staff and pupils.</i>	<i>Notices regarding social distancing have been put up around the school building and site. Regular handwashing is in place. Staff who will be meeting and greeting in the mornings and afternoons will wear face coverings. Face coverings are to be worn by staff in communal areas of the school, where social distancing cannot take place. Notices regarding social distancing have been put up around the school building and site. Regular handwashing is in place. Staff who will be meeting and greeting in the mornings and afternoons will wear face coverings.</i>
Premises related matters		
Changes to building use being safe for pupils & staff – e.g. storage, one-way systems, floor tape.	<i>Review whole school risk assessment (RA22 or equivalent), to ensure control measures remain suitable and in place. Update risk assessments to include any changes that have been necessary (e.g. handwashing, one-way systems, allocation of specific classrooms) and this must include curriculum risk assessments where necessary. Consider how the layout will enable access to outdoor space and the equipment necessary for teaching the year groups. Consider how changes will impact on arrangements such as safe fire evacuation routes (see below).</i>	<i>A school checklist has been provided by the Trust and has been completed to ensure control measures are suitable and in place. The layout of the school building was deemed suitable for receiving pupils on 1st June. This has been reviewed and measures in place. The above measures remain effective. Additional signage has been put up due to the introduction of Tier 3 on 30th December 2021</i>

		<p>No parents are allowed in the school grounds. KW pupils are accessing school through the front door only. All gates remained padlocked.</p> <p>A school checklist has been provided by the Trust and has been completed to ensure control measures are suitable and in place. The layout of the school building was deemed suitable for receiving pupils on 1st June. This has been reviewed and measures in place. The above measures remain effective.</p>
<p>First Aid procedures – Reduced numbers of first aiders and Paediatric first aider.</p>	<p>Review First Aid risk assessment (RA22 or equivalent). Rota systems in place to ensure adequate numbers of first aid and PFA trained staff. Communication of first aid arrangements during daily briefings. PPE within first aid supplies</p>	<p>Staff with relevant first aid will be in school to ensure adequate numbers of first aiders are available. PPE will be stored in the cleaning cupboard.</p> <p>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</p> <p>Staff on the KW rota with relevant first aid are available throughout the week.</p> <p>Staff with relevant first aid will be in school to ensure adequate numbers of first aiders are available. PPE will be stored in the cleaning cupboard.</p>
<p>Fire Procedures</p>	<p>Review the fire risk assessment taking into consideration any changes made to the layout, and the impact this may have on fire evacuation and escape routes. Ensure that testing and monitoring regimes are in place for fire detection and alarm systems, fire extinguishers and that any interim arrangements (such as doors propped open where necessary to reduce hand contact), are managed so that they do not compromise fire protection (and security) measures. Review where required fire evacuation routes and assembly points to ensure that social distancing guidelines are being met.</p>	<p>Exco checked all fire equipment prior to opening on 1st June. All staff and pupils are aware of amendments required to current fire procedures.</p> <p>Fire procedures will be reviewed wk beginning 7th September 2020, whole school and all classes.</p> <p>Regular fire drills and reviews will continue</p>

		<p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>Regular fire drills and reviews will continue</i></p>
Water hygiene – management of legionella	<p><i>Review the water hygiene management plan. Ensure that agreed regimes for flushing and monitoring of temperatures have been maintained throughout any period of closure / partial opening. Where regimes have not been maintained ensure that cleaning and disinfection has taken place prior to reoccupation as per government guidance Managing School Premises during the Covid-19 outbreak.</i></p>	<p><i>Eplus will carry out monthly visit. CB will attend the school weekly to carry out flushing and record appropriately.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>Eplus will continue visits throughout the national lockdown.</i></p> <p><i>Rock (Eplus) will carry out monthly visits.</i></p>
Using and monitoring new practices to reduce risk of Covid-19 transmission	<p><i>Training of all staff via briefing prior to start – to include contents of this RA, alternative layouts and any changes to fire evacuation routes, use of PPE, location of designated room for suspected cases. Explaining to children about the use of face coverings – to support children with adhering to social distancing. Headteachers and school leaders must monitor arrangements and make remedial actions where needed. Ensure there are opportunities for all employees to raise concerns / make suggestions.</i></p>	<p><i>A staff meeting will be held on 3rd September to outline all arrangements in place for the arrival of pupils on 7th September. Risk assessments will be available to all staff. Other relevant information regarding safe working procedures will also be available such as safe use of PPE, information posters.</i></p> <p><i>Regular updates will be submitted to the COG and to Trust as required.</i></p> <p><i>Staff and parents are to be informed on Tuesday 3rd November about the review and inclusion of wearing a face mask on the school premises.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions. Additional signage will be put up so that it is in place for Tuesday 5th January 2021.</i></p>

		<p><i>Staff and parents informed of arrangements and guidelines with regard to National lockdown on 5th January</i></p> <p><i>A staff meeting will be held on 1st March to outline all arrangements in place for the arrival of pupils on 7th September. Risk assessments will be available to all staff. Other relevant information regarding safe working procedures will also be available such as safe use of PPE, information posters.</i></p> <p><i>Regular updates will be submitted to the COG and to Trust as required.</i></p>
<p>Management of premises related risks e.g. asbestos, delayed statutory testing (LOLER)</p>	<p><i>Communication arrangements to ensure that requirements and controls are understood by responsible persons (e.g. signing in processes for contractors). If equipment is not within statutory test periods (e.g. lifts and hoists) then it should be taken out of use until the inspection and test can be completed.</i></p>	<p><i>If contractors are received on site, they will access the school building through the main entrance and will be informed of procedures and safe practices by the HT or administrator. Any visitors are being actively discouraged. Deliveries will also access the main entrance and SD measures will be in place.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>Limited visitors will have access to premises throughout national lockdown (NL)</i></p> <p><i>If contractors are received on site, they will access the school building through the main entrance and will be informed of procedures and safe practices by the HT or administrator. Any visitors are being actively discouraged. Deliveries will also access the main entrance and SD measures will be in place.</i></p>

<p>Staff rooms and offices to comply with social distancing and safe working practice</p>	<p>Numbers of people reduced at one time to allow social distancing – chairs removed/placed apart. Avoiding unnecessary gatherings. Where possible reduce the use of communal / shared facilities such as tea and coffee facilities and encourage staff to bring their own food and utensils. Enhanced cleaning regimes as per below.</p>	<p>Staffroom facilities will continue to be used; but cleaning regimes will be increased to ensure safety. Staff will be encouraged to bring their own crockery/utensils. Additional spaces will be used for break/lunchtimes, including outside spaces. Break times have been staggered.</p> <p>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</p> <p>Current arrangements will operate throughout NL</p> <p>Staffroom facilities will continue to be used; but cleaning regimes will be increased to ensure safety. Staff will be encouraged to bring their own crockery/utensils. Additional spaces will be used for break/lunchtimes, including outside spaces. Break times have been staggered.</p>
<p>Ventilation to reduce spread</p>	<p>Schools need to balance the need for increased ventilation while maintaining a comfortable temperature, the following measures should also be used as appropriate:</p> <ul style="list-style-type: none"> • opening high level windows in preference to low level to reduce draughts • increasing the ventilation while spaces are unoccupied (e.g. between classes, during break and lunch, when a room is unused) • providing flexibility to allow additional, suitable indoor clothing. For more information see School uniform • rearranging furniture where possible to avoid direct drafts • mechanical ventilation systems – these should be adjusted to increase the ventilation rate wherever possible, and checked to confirm that normal operation meets current guidance (if possible, systems should be adjusted to full fresh air or, if not, then systems should be operated as normal as long as they are within a single room and supplemented by an outdoor air supply) • Opening internal doors can also assist with creating a throughput of air 	<p>Doors and windows open as required.</p> <p>A balance between appropriate ventilation and warmth will be maintained.</p> <p>Current arrangements will operate throughout NL</p> <p>A balance between appropriate ventilation and warmth will be maintained.</p>

	<ul style="list-style-type: none"> • <i>natural ventilation – if necessary external opening doors may also be used Where schools believe that ventilation could be improved by leaving fire doors, either internal or external, open, this must only be done once the fire risk assessment has been reviewed and amended. Schools must ensure that systems are in place to close doors in the event of a fire alarm, during breaks if they cannot be monitored or at the end of the day. There is also the security risk of leaving external doors open and therefore there must be procedures in place to mitigate this such as ensuring that they are closed at times when they cannot be sufficiently monitored.</i> • <i>Ventilation to chemical stores should remain operational.</i> <p><i>It is advisable to use a thermometer to monitor temperatures where opening windows and doors is being used as a mechanism to aid ventilation. For more information on suitable workplace temperatures see HSE: Guidance on temperature in the workplace</i></p>	
Management of waste	<p><i>Ensure bins for tissues are emptied throughout the day.</i></p> <p><i>Follow Guidance on disposal of PPE waste (such as used fluid resistant masks) and Government guidance on disposal of waste, including waste such as wipes and cloths generated by additional cleaning and disposable face coverings where for instance they have been worn for the journey to school. You must make sure that these items are disposed of properly rather than going into recycling bins.</i></p>	<p><i>Waste will be managed in accordance with the relevant guidance.</i></p> <p><i>All classroom areas are being appropriately cleaned by staff/cleaner. Monitoring is being done by CB/EG, Additional supplies are being purchase when required.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>Current arrangements will operate throughout NL</i></p> <p><i>Waste will be managed in accordance with the relevant guidance.</i></p> <p><i>All classroom areas are being appropriately cleaned by staff/cleaner. Monitoring is being done by CB/EG, Additional supplies are being purchase when required.</i></p>
Management of incoming goods	<p><i>Consider how to manage supplies coming into the school, which takes into consideration SD and hygiene measures. E.g. drop-off point – one person controls the process etc.</i></p>	<p><i>SD measure are in place for deliveries. Arrivals will be controlled by personnel within the school office.</i></p> <p><i>The current arrangements will remain in place and reviewed in line</i></p>

		<p><i>with Tier 3 restrictions.</i> <i>Current arrangements will operate throughout NL</i> <i>SD measure are in place for deliveries. Arrivals will be controlled by personnel within the school office.</i></p>
School owned outdoor play equipment	<p><i>Promote good hygiene and social distancing using signage and other methods of comms (community noticeboards, school newsletters) to set out: maximum numbers to enable SD, encouraging parents to clean children's hands before and after play, disposal of all rubbish. Consider limiting numbers (e.g. taking out swings), using time limits, one ways systems around pieces of equipment, cleaning regimes if applicable for high traffic touch points such as slides, monkey bars and climbing frames / walls, playhouses and huts, crawl through tunnels and tube slides, exercise equipment, gates, benches and picnic tables, refuse areas and bins. Encourage effective sanitation by users, parents etc. Consult guidance on Managing Outdoor Playgrounds for equipment also used by the community.</i> <i>When used by the school, it must be appropriately cleaned between groups of children and only used by one group at a time.</i></p>	<p><i>Above guidance taken into consideration.</i> <i>Above measures reviewed and remain effective.</i> <i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i> <i>Current arrangements will operate throughout NL</i> <i>Above guidance taken into consideration.</i></p>
Hiring out premises	<p><i>Schools should ensure they are considering carefully how to hire out to external bodies or organisations, such as external coaches or after-school or holiday clubs or activities. Such arrangements can only operate within their wider protective measures and should also have regard to any other relevant government guidance. For example, where opening up school leisure facilities for external use, ensuring they do so in line with government guidance on working safely during coronavirus (COVID-19) for providers of grassroots sport and gym or leisure facilities.</i></p>	<p><i>This remains N/A</i></p>
Cleaning and reducing contamination		
Contaminated surfaces spreading virus.	<p><i>Classroom based resources such as sports, art and science equipment can be used and shared within the bubble. Such resources should be cleaned frequently and meticulously and always between bubbles or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles. In order to facilitate cleaning, remove unnecessary items from learning environments where there is space to store them elsewhere. Public health advice is to remove all soft toys, and any toys that are hard to clean, such as those with intricate parts. Where practicable, remove soft furnishings, for example pillows, bean bags and rugs.</i></p>	<p><i>The frequency of cleaning within bases will be increased, especially tables, handles and toilets. Items not appropriate for use currently will be stored away or in the event of lack of space cordoned off to prevent access by pupils.</i> <i>Government guidance will be followed regarding cleaning. 10</i></p>

	<p>In cases where soft furnishings are still in use, they should be laundered by following the guidance in the attached link: https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings/covid-19-decontamination-in-non-healthcare-settings</p> <p>Consideration should also be given to soft furnishings within Sensory Rooms and where possible these furnishings should be child specific so as to avoid cross contamination. If this is not possible then they should be laundered as per the guidance contained in the above link.</p> <p>Follow government guidance for working in education and childcare if a someone becomes ill with suspected COVID-19 at the setting. Follow guidance on Cleaning and decontamination of non-health care settings.</p>	<p>hours of additional cleaning is in place.</p> <p>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</p> <p>A permanent cleaner has been appointed and deep cleaning of classrooms in addition to regular cleaning protocols has begun.</p> <p>The frequency of cleaning within bases will be increased, especially tables, handles and toilets. Items not appropriate for use currently will be stored away or in the event of lack of space cordoned off to prevent access by pupils.</p>
<p>Shared resources and equipment increasing spread</p>	<p>Prevent the sharing of stationery and other equipment where possible Suitable procedures in place for managing access to items of 'heavy use' such a photocopiers to maintain social distancing. Enhanced cleaning regimes.</p>	<p>Pupils have been asked to provide their own pencil cases and stationery items. Where this is not possible, a set will be provided. No sharing of equipment will be allowed. Shared resources such as the photocopier will be wiped between users. Social distancing will be encouraged at all times</p> <p>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</p> <p>Current arrangements will operate throughout NL</p> <p>The current arrangements will remain in place</p>
<p>Cleaning staff and hygiene contractor's capacity - providing additional requirements</p>	<p>Discuss with cleaning contractors or staff the additional cleaning requirements and agree additional hours to allow for this. Ensure cleaning products being used are suitable and that adequate supplies of cleaning materials are available. See Safe working in education and childcare for guidance on PPE and guidance on cleaning non-health care settings. Put in place an enhanced cleaning schedule and establish more frequent cleaning of shared areas or those used by different groups. Additional guidance on cleaning of non-health</p>	<p>The expectation is that staff within each area will be responsible for additional sanitising of areas such as tables, handles etc. throughout the day. An audit of current stock has taken place and additional suitable items purchased. It is</p>

	<p><i>care settings is to be published by Public Health England by the end of the summer term.</i></p>	<p><i>unlikely additional hours will be necessary, but this will be monitored by the HT.</i> <i>Effective cleaning procedures are in place and will continue to be reviewed.</i> <i>A school cleaner is still being sought. The current arrangements will remain in place where possible and reviewed in line with Tier 3 restrictions.</i> <i>A permanent cleaner has been appointed and deep cleaning of classrooms in addition to regular cleaning protocols has begun.</i> <i>Effective cleaning procedures are in place and will continue to be reviewed.</i></p>
<p>Sufficient handwashing facilities for staff and pupils</p>	<p><i>Where a sink is not nearby, provide supervised access to hand sanitiser in classrooms and other learning environments. Plan in regular access to facilities throughout the day. Provide additional sinks where possible. Ensure enough handwash and sanitiser stations are available based on what you have learned from usage to date.</i></p>	<p><i>Sanitiser is for adult use only and is positioned on entry and exit points in addition to each pupil base.</i> <i>Pupils will continue to use hot water and soap to maintain effective handwashing procedures.</i> <i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i> <i>Handwashing will once again be highlighted with high importance on the return to school.</i> <i>Handwashing expectations remain as prior to lockdown.</i> <i>Sanitiser is for adult use only and is positioned on entry and exit points in addition to each pupil base.</i> <i>Pupils will continue to use hot water and soap to maintain effective handwashing procedures.</i></p>

<p>Additional time for staff and pupils to carry out handwashing</p>	<p><i>Frequent hand cleaning as part of normal routine. Stagger regular access to handwashing facilities through the day. Build routines into behaviour expectations and school culture.</i></p>	<p><i>Stagger regular access to handwashing facilities through the day. This is able to take place within each base.</i> <i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i> <i>Current arrangements will operate throughout NL</i> <i>The current arrangements will remain in place and reviewed as required.</i></p>
<p>Handwashing practice with children</p>	<p><i>Review the guidance on hand cleaning and introduce handwashing songs for younger children. Ensure that help is available for children and young people who have trouble cleaning their hands independently. See guidance and resources available at e Bug.</i> <i>Consider risks around ingestion of sanitiser and where this is a risk substitute for skin friendly sanitiser wipes for young children / those with complex needs.</i></p>	<p><i>Prior to lock down we introduced the 'Happy Birthday Song' during an assembly, but we will re-visit upon returning to school on 7th September. Posters have been printed and will be displayed in each class base.</i> <i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i> <i>Handwashing will once again be highlighted and taught to the pupils on return to school on January 5th 2021.</i> <i>Current arrangements will operate throughout NL</i> <i>The current arrangements will remain in place and reviewed as appropriate.</i></p>
<p>Good respiratory hygiene</p>	<p><i>Promote 'catch it, bin it, kill it' ensuring that enough tissues and bins are available. Support should be provided for young children and those with complex needs, particularly where children spit / use saliva. In such cases this should be considered within the pupil's individual risk assessment.</i></p>	<p><i>Posters in place and key messages will be part of the recovery curriculum.</i> <i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i> <i>Current arrangements will operate throughout NL with KW pupils.</i> <i>The current arrangements will</i></p>

		<i>remain in place and reviewed as appropriate.</i>
Sufficient supplies of soap and cleaning products	<i>Discuss with suppliers and contractors to ensure sufficient supplies and deliveries. Use regular detergents and bleach. Review COSHH assessments (RA05) and implement additional controls required where there has been any change in products.</i>	<i>Sufficient supplies are in place and appropriate COSHH has been reviewed. The current arrangements will remain in place and reviewed in line with Tier 3 restrictions. Supplies will be sourced and purchased ahead of their need. Current arrangements will operate throughout NL The current arrangements will remain in place and reviewed as appropriate.</i>
Toilets being overcrowded	<i>Limit the number of children or young people who use the toilet facilities at one time. Visiting the toilet one after the other if necessary. Different groups don't need to be allocated their own toilet blocks, but toilets will need to be cleaned regularly and pupils must be encouraged to clean their hands thoroughly after using the toilet.</i>	<i>Different toilets will be accessible for each group. The current arrangements will remain in place and reviewed in line with Tier 3 restrictions. 2 blocks of toilet are being used for KW pupils. The current arrangements will remain in place and reviewed as appropriate.</i>
Staff related issues		
Staff measures to reduce contact and transmission Covid-19. New variant of the Covid-19 virus. It is also noted that the new variant may present an increased risk amongst children and young people who present as - asymptomatic.	<i>When assessing the return to full opening the following section of the DfE guidance must be followed: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools#section-1-public-health-advice-to-minimise-coronavirus-covid-19-risks Where this cannot be met, then the school must record why and what other control measures they will adopt. All teachers and other staff can operate across different classes and year groups in order to facilitate the delivery of the school timetable. Where staff need to move between classes and year groups, they should try and keep their</i>	<i>DFE guidance will be followed. Staff are to remain within allocated bubbles where possible. The exceptions will be for RWI teaching, where the groups will remain consistent. No staff will be working from home – all staff will return to work in September. The current arrangements will remain in place and reviewed in line</i>

	<p>distance from pupils and other staff as much as they can, ideally 2 metres from other adults and should avoid close face to face contact and minimise time spent within 1 metre of anyone. Similarly, it will not be possible when working with many pupils who have complex needs or who need close contact care. These pupils' educational and care support should be provided as normal. When considering the return of non-teaching staff school leaders should recognise the wider government policy that staff who can work from home should do so and apply this where feasible (e.g. in administrative roles).</p> <p>Focusing on control measures that reduce close contact, will reduce the number of staff and pupils required to self-isolate when there are cases within the school.</p> <p><i>PHE have identified issues that have arisen in IMTs in schools and some adjustments are being made by schools as a result. There may be difficult to implement due to disruption to learning or operational issues. But schools are also identifying that actually having positive cases and seeing the impact on numbers being sent home to self-isolate (staff and pupils) will also affect learning and operational issues.</i></p> <p><i>Mitigating measures that will reduce the number of close contacts between individuals and therefore numbers required to self-isolate as the result of a positive case in the school:</i></p> <ul style="list-style-type: none"> ▪ Reducing bubble sizes, ▪ reducing face to face meetings (move to video calling if appropriate), ▪ reducing or eliminating the number of staff and pupils mixing across year groups/ classes at lunch, breaks, staff rooms etc. ▪ reducing or eliminating the movement around the school of pupils and teaching staff, ▪ reducing or eliminating the movement across bubbles of pupils and teaching staff, ▪ no car sharing between staff to school ▪ keeping to the 2m distancing (for teachers especially) if at all possible <p><i>Other measures that will reduce the spread of the virus in the school – face coverings, thorough regular cleaning regimes throughout the day (of hands and of hard surfaces/ high use touch points), catch it bin it kill it messages.</i></p>	<p><i>with Tier 3 restrictions. Currently all staff will be working in the school setting.</i></p> <p><i>A staff rota is being operated to minimise staff working in school. Remote learning is embedded to ensure staff can safely operate from home. KW pupils range between 6 – 12 in a group, managed by 2 staff members so group sizes are being kept to a minimum.</i></p> <p><i>DFE guidance will be followed. Staff are to remain within allocated bubbles where possible. The exceptions will be for RWI teaching, where the groups will remain consistent. No staff will be working from home – all staff will return to work on March 8th.</i></p>
--	---	--

<p>Managing supply teachers, visitors, contractors and other temporary visiting staff.</p>	<p><i>Supply teachers, peripatetic teachers and/or other temporary staff can move between schools. They should ensure they minimise contact and maintain as much distance as possible from other staff. Specialists, therapists, clinicians and other support staff for pupils with SEND should provide interventions as usual. Schools should consider how to manage other visitors to the site, such as contractors, catering staff and deliveries, as well as cleaning staff and site staff who may be working throughout the school and across different groups / sites. This will require close cooperation between both schools and the other relevant employers. Schools should have discussions with key contractors about the school's control measures and ways of working as part of planning for the autumn term and ensure site guidance on physical distancing and hygiene is explained to visitors on or before arrival. Where visits can happen outside of school hours, they should. A record should be kept of all visitors. It is important that staff who are managing supply teachers, visitors, contractors and other temporary visiting staff are conversant with SD and hygiene protocols within the school.</i></p>	<p><i>All visitors (although discouraged) will come through the main entrance to the school, allowing for details to be taken. Temporary staff will be made aware of measures in place and asked to comply. SD will also take place.</i></p> <p><i>Following the announcement of the second lockdown on Nov 5th, it is anticipated that music teaching will continue, as will support received from ARENA.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions. At this current time, sports provision from ARENA and Plymouth Argyle will continue.</i></p> <p><i>Sports provision from ARENA continues for the KW pupils.</i></p> <p><i>All visitors (although discouraged) will come through the main entrance to the school, allowing for details to be taken. Temporary staff will be made aware of measures in place and asked to comply. SD will also take place.</i></p>
<p>Insufficient staff capacity to deal with increased numbers of pupils - Shortage of teachers to maintain staff to pupil ratios</p>	<p><i>If there are any shortages of teachers to teach the number of classes, appropriately trained teaching assistants can be allocated to lead a group, working under the direction of a teacher. Careful planning of the year groups/classes should be undertaken based on staff availability. Supply teachers and other peripatetic staff can be engaged where necessary. See 'school Workforce' section of the DfE guidance: https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools#section-1-public-health-advice-to-minimise-coronavirus-covid-19-risks</i></p>	<p><i>Staffing ratios are appropriate for the beginning of September. This will be reviewed as required. Staff availability will be considered for the delivery of RWI and may be included as part of the recovery plan for the Trust.</i></p> <p><i>Additional staffing hours have been included in the recovery plan and were approved by the Trust. Staff hours have been reviewed again (Nov 2nd) due to the immediate resignation of a member of staff.</i></p> <p><i>The current arrangements will</i></p>

		<p><i>remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>Staff ratios are appropriate for the KW group.</i></p> <p><i>Staffing ratios are appropriate for the return to school.</i></p>
<p>Anxiety levels of staff and community causing breakdown in staffing ratios, compromising group sizes.</p>	<p><i>Talk to staff about (and/or put in writing) the plans (for example, safety measures, timetable changes and staggered arrival and departure times), including a discussion on whether training would be helpful. If appropriate, seek GP or occupational health advice.</i></p> <p><i>Where the member of staff has anxieties about returning, this conversation can be held and recorded using the 'Risk assessment for all staff including vulnerable groups' -</i></p> <p>https://devoncc.sharepoint.com/:w:/s/PublicDocs/Education/ESoXeZkaQyILupPG5VVG6yQB2iEFDD4pgkko5qBbtOSEkw?e=040Qiy</p> <p><i>Further advice is available from HR if required.</i></p>	<p><i>Day to day arrangements will be circulated to the staff in the last week of the summer term. A review of arrangements will take place on 3rd September in a SD staff meeting. All staff will receive a copy of the risk assessments. Any concerns need to be shared with the HT.</i></p> <p><i>The reviewed RA will be read by staff on return to school on 5th January 2021</i></p> <p><i>Staff have access to reviewed RA through the website and a paper copy in the staffroom.</i></p> <p><i>Day to day arrangements will be circulated to the staff in the week beginning 1st March. All staff will receive a copy of the risk assessments. Any concerns need to be shared with the HT. The RA will also be put on the school website.</i></p>
<p>Staff understanding of new changes – safe practice at work & in classroom. Teaching in a safe environment</p>	<p><i>Talk to staff about the plans (for example, safety measures, timetable changes and staggered arrival and departure times), including discussing whether training would be helpful.</i></p>	<p><i>Day to day arrangements will be circulated to the staff in the last week of the summer term. A review of arrangements will take place on 3rd September in a SD staff meeting.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>Staff have access to reviewed RA through the website and a paper copy in the staffroom. All staff are</i></p>

		<p>aware of the reviewed restrictions and arrangements during NL.</p> <p>Day to day arrangements will be circulated to the staff in the week beginning 1st March. All staff will receive a copy of the risk assessments. Any concerns need to be shared with the HT. The RA will also be put on the school website.</p>
<p>Accessing testing arrangements are clear for all staff</p>	<p>Guidance on the new asymptomatic testing programmes taking place in schools are on a shared document platform hosted by DfE, including FAQ, webinars and step-by-step 'how to guides.</p> <p>For secondary schools - Resources - Google Drive.</p> <p>For primary schools - Primary Schools Document Sharing Platform - Google Drive.</p>	<p>Staff will be signposted to this service</p> <p>Covid-19 testing kits are in school for those who are unable to access a test elsewhere.</p> <p>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</p> <p>Current arrangements will operate throughout NL</p> <p>Lateral flow tests are being used by some staff</p>
<p>Conditions for use of fluid resistant face mask and other equipment when dealing with a symptomatic child are clear and understood by staff.</p>	<p>If a child, young person or other learner becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home a face mask should be worn by the supervising adult if a distance of 2 meters cannot be maintained.</p> <p>If contact with the child or young person is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If a risk assessment determines that there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn</p> <p>Ensuring that fluid resistant face masks are available for all schools and that a supply is maintained.</p> <p>https://www.gov.uk/government/publications/safe-working-in-education-childcare-and-childrens-social-care/safe-working-in-education-childcare-and-childrens-social-care-settings-including-the-use-of-personal-protective-equipment-ppe</p>	<p>Fluid resistant masks have been sourced and are in the cleaning cupboard.</p> <p>Fluid resistant masks have been delivered to school and are stored in the lockers along with all other PPE kit in the staff toilet.</p> <p>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</p> <p>Current arrangements will operate throughout NL</p> <p>The current arrangements will remain in place and reviewed as required.</p>

<p>Assessment of all staff, including high risk staff with vulnerable / shielding family member, underlying health conditions or other risk factors</p>	<p>Clinically Extremely Vulnerable staff (CEV) are advised not to attend the workplace. Staff who are CEV will previously have received a letter from the NHS or their GP telling them this (no new letter is required) and there is guidance for this group. Employers should talk to their staff about how they will be supported, including to work from home. These new formal shielding measures will apply across the whole of England until at least 31 March. Staff who are Clinically Vulnerable (CV) can continue to attend school. While in school they must follow the system of controls to minimise the risks of transmission Schools coronavirus (COVID-19) operational guidance (publishing.service.gov.uk) p37</p> <p>A risk assessment should be undertaken with clinically extremely vulnerable and clinically vulnerable staff returning to the school, especially where they are returning to the school for the first time since the pandemic commenced. A risk assessment should also be undertaken (or reviewed/updated if one was previously undertaken) with staff who may be anxious about returning to school and/or due to the increased numbers. The 'Risk assessment for all staff including vulnerable groups' can be used to aid and record this assessment - https://devoncc.sharepoint.com/:w:/s/PublicDocs/Education/ESoXeZkAQyILupPG5VVG6yQB2iEFDD4pgkko5qBbtOSEkw?e=040Qiy</p>	<p>Currently N/A Remains N/A, although 1 member of staff has given up extra overtime hours as her daughter is unable to attend dual settings. Remains N/A 1 x member of staff working from home though NL due to childcare issues and shielding parents in law through NL. N/A</p>
<p>Staff use of PPE</p>	<p>Pupils whose care routinely already involves the use of PPE due to their intimate care needs will continue to receive their care in the same way. Follow guidance https://www.gov.uk/government/publications/safe-working-in-education-childcare-and-childrens-social-care/safe-working-in-education-childcare-and-childrens-social-care-settings-including-the-use-of-personal-protective-equipment-ppe Guidance on the appropriate selection and use of PPE from DCC can be found here: http://devon.cc/ppe</p>	<p>PPE is available for staff treating pupils. The current arrangements will remain in place and reviewed in line with Tier 3 restrictions. Current arrangements will operate throughout NL PPE is available for staff treating pupils.</p>
<p>Use of face coverings Lack of understanding</p>	<p>Guidance on the use of face coverings for pupils in year 7 and above should be followed with consideration given to communal areas such as corridors where social distancing is hard to maintain. In addition, we now also recommend in those schools, that face coverings should be worn in classrooms or during activities unless social distancing can be maintained. This does not apply in situations where wearing a face covering would impact on the ability to take part in exercise or strenuous activity, for example in PE lessons.</p> <p>Adequate training / briefing on use and safe disposal Follow guidance on putting on and taking off standard PPE https://www.gov.uk/government/publications/covid-19-personal-protective-</p>	

	<p>equipment-use-for-non-aerosol-generating-procedures and above guidance on use in education settings.</p>	
<p>Dealing with suspected and confirmed case/ cases and outbreak.</p>	<p>Dealing with suspected and confirmed case/ cases and outbreak. <i>If you would like advice, contact the DfE Coronavirus Helpline on 0800 046 8687. You may also call the PHE SW Health Protection Team for advice on 0300 303 8162 if the following applies; you have taken action but are still seeing more cases, you think you may need to close your setting (you should also email the school priority alert mailbox phnotifications@cornwall.gov.uk, someone in your setting has been admitted to hospital or you are getting significant media interest. Special schools, boarding schools or special post 16 providers should call the PHE SW Health Protection Team straight away.</i></p> <p>Manage confirmed cases of coronavirus (COVID-19) amongst the school community. (Close contact means):</p> <ul style="list-style-type: none"> • <i>The current definition of a close contact in a school setting is shown below.</i> • <i>face-to-face contact including being coughed on or having a face-to-face conversation within one metre</i> • <i>been within one metre for one minute or longer without face-to-face contact</i> • <i>been within 2 metres of someone for more than 15 minutes (either as a one-off contact, or added up together over one day)</i> • <i>travelled in the same vehicle or a plane (this includes school transport)</i> <p>https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools#soc</p> <p><i>If a child or staff member in your education setting becomes symptomatic, you should advise them to access a PCR test through the normal channels. However, in exceptional circumstances when you do not think a child or staff member would be able to access testing by these routes, you should consider using one of the school provided PCR test kits to improve the chances that the individual will get tested. See the DfE guidance on test kits for schools.</i></p> <p><i>If you have any infection control concerns or questions, please call the South West Health Protection Team on 0300 303 8162 or email swhpt@phe.gov.uk. If the matter is not urgent you can also email ask.swhpt@phe.gov.uk.</i></p>	<p><i>Guidance will be followed in accordance with guidelines. Any instances of Covid19 be reported in accordance with Trust procedures using the following information; https://www.gov.uk/guidance/contacts-phe-health-protection-teams#south-west-centre-hpt</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions. Parents have been reminded of their responsibility to report suspected or confirmed cases.</i></p> <p><i>Current arrangements will operate throughout NL</i></p> <p><i>The current arrangements will remain in place and be reviewed as necessary.</i></p>

	<p>For ALL SUSPECTED OR CONFIRMED CASE IN SCHOOL ALWAYS inform the local authority by emailing phnotifications@cornwall.gov.uk. DfE number: 08000468687 option 1</p> <p>Schools should also consider their contingency planning for outbreaks, including local outbreaks – using the Actions for Schools Guidance Section 5</p>	
<p>Lateral Flow testing (Secondary Schools) It is important to note that LFT/PCR testing and vaccination and the wearing of face coverings is only part of the preventative measures in place and school must continue implement the mitigation actions.</p>	<p>Guidance on the coronavirus (COVID-19) testing programme for secondary schools and colleges. With the start of mass testing by Lateral Flow Devices (LFD) in some schools, it is also important to remember that these are only one part of the process and although they are a way of identifying asymptomatic individuals quickly, they are not a replacement for all other fundamental mitigating measures previously in place, but should be used alongside. It is vitally important that schools who are using mass testing do not relax other fundamental measures.</p> <p>DfE have created a schools and colleges document sharing platform for asymptomatic testing. This area contains additional information to support schools and college staff in preparing and operating LFT.</p>	
<p>Lateral Flow testing. It is important to note that LFD /PCR testing and vaccination and the wearing of face coverings is only part of the preventative measures in place and school must continue implement the mitigation. actions, particularly in relation to contact between staff.</p>	<p>Guidance on the coronavirus (COVID-19) LFD testing programme for primary staff home.</p> <p>It is also important to remember that the LFD test are only one part of the process and although they are a way of identifying asymptomatic individuals quickly, they are not a replacement for all other fundamental mitigating measures previously in place but should be used alongside. It is vitally important that schools who are using mass testing do not relax other fundamental measures.</p> <p>Key points</p> <ul style="list-style-type: none"> • All staff working in primary, secondary and Colleges are encouraged to take part in the LFD testing programme • Secondary age pupils are recommended to undertake 3 tests in school at their Asymptomatic Test Site (ATS) BEFORE moving to use LFD home test kits • Recommended twice weekly before coming into school 3-4 days apart • Read guidance and watch video • This process is not for releasing people early from Self Isolation • It is not mandatory DfE have created the link below for asymptomatic testing for schools to follow. This area contains additional information to support primary schools and secondary staff in preparing and operating home testing LFD. 	

	<p>Resources for testing: youtube video Google Drive Primary Phase - Google Drive</p>	
Vulnerable groups who are clinically, extremely vulnerable.	<p>Clinically extremely vulnerable (CEV) adults and children. It has been confirmed by the DfE that all CEV (and those who have been newly identified by letter in recent days) that all these staff/pupils should continue to self-isolate until March 31st.</p> <p>The Department of Health and Social Care has added a third category to the definition of clinically extremely vulnerable (CEV). The definition has been expanded to include a new group of adults who have been identified through the COVID-19 population risk assessment as potentially being at high risk of serious illness if they catch the virus. Individuals identified as CEV through this risk assessment are advised to follow guidance for clinically extremely vulnerable people, which has now been extended until 31 March. Anyone newly identified as part of this group will be notified.</p>	
Children with EHCP and pupils who attend dual settings	A risk assessment should be completed before attendance. For dual settings work through the system of controls collaboratively, enabling any risks identified to be addressed and allowing the joint delivery of a broad and balanced curriculum for the child	<p><i>N/A at this current time</i> <i>N/A at this current time</i> <i>N/A at this current time</i></p>
Pupils unable to follow guidance	<p>Some pupils will need additional support to follow these measures. https://www.gov.uk/government/publications/coronavirus-covid-19-implementing-protective-measures-in-education-and-childcare-settings/coronavirus-covid-19-implementing-protective-measures-in-education-and-childcare-settings</p>	<p><i>The school behaviour policy has been updated to reflect changes. In addition, the same staff have been allocated to each group where reasonably possible. Children will be supported to understand this.</i> <i>There have been no incidents of pupils not responding to new rules and guidance.</i> <i>Pupils and parents will be reminded of their responsibilities at the beginning of the Spring term.</i> <i>The school behaviour policy has been updated to reflect changes. In addition, the same staff have been allocated to each group where</i></p>

		<i>reasonably possible. Children will be supported to understand this.</i>
Pupils equipment	<i>Pupils to limit the amount of equipment they bring into school each day, to essentials For individual and very frequently used equipment, such as pencils and pens, it is recommended that staff and pupils have their own items that are not shared.</i>	<i>Parents have been made aware of the equipment their child will need on returning to school. The majority of pupils have their own pencil cases and equipment. The current arrangements will remain in place and reviewed in line with Tier 3 restrictions. Current arrangements will operate throughout NL The current arrangements will remain in place</i>
Member of a class becoming unwell with COVID-19	<i>If a child is awaiting collection, they will be moved to a room where they can be isolated behind a closed door, depending on the age of the child and with appropriate adult supervision if required. Ideally, a window should be opened for ventilation. If it is not possible to isolate them, move them to an area which is at least 2 metres away from other people. Allocate a suitable room for this purpose and communicate intentions to staff. Ensure suitable PPE (including fluid resistant face mask) is available at this location.</i>	<i>The staffroom has been allocated in the instance this happens. The room would then have a deep clean to prevent spread of infection. A fluid resistant face mask has been sourced and is being kept in the cleaning cupboard. The current arrangements will remain in place and reviewed in line with Tier 3 restrictions. Current arrangements will operate throughout NL The current arrangements will remain in place</i>
School Uniform	<i>Uniforms do not need to be cleaned any more often than usual, nor do they need to be cleaned using methods which are different from normal.</i>	
Transport		
Travel to school and provision of safe school transport:	<i>Consider school transport arrangements and where possible encourage parents and children and young people to walk or cycle to school where</i>	<i>Liaison with the STT has taken place to ensure pupils will be safely transported. It is likely staggered</i>

	<p>possible. Liaise with School Transport Team where further consideration needs to be given to taxi and escort services.</p>	<p><i>taxi journeys will need to be considered.</i> <i>All pupils being transported safely and under guidance.</i> <i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i> <i>Current arrangements will operate throughout NL – 5 KW pupils being transported</i> <i>The current arrangements will remain in place</i></p>
<p>Dedicated school transport, including statutory provision</p> <p>Face coverings & PPE</p>	<p><u>transport-to-school-and-other-places-of-education-autumn-term-2020</u> <i>Although there is no requirement for students to sit with the group of students or “bubble” with which they are educated, students should sit in year groups as far as possible when travelling – this will be in ascending year groups front to back (youngest students at the front of the vehicle). Schools may even wish to draw up seating arrangements on vehicles.</i> <i>Consider how you are going to “police” any seating arrangements as this is not the driver’s responsibility – their role is to focus on driving the vehicle safely. Any arrangements will require clear communication between schools and families/students, and school staff should initially be on hand at the end of each day to assist the students.</i> <i>Where possible, transport operators will aim to keep windows on home to school transport open to increase ventilation; or use air conditioning.</i> <i>Ensure organised queuing/boarding and distancing within vehicles if possible.</i></p> <p><i>It is now the law that people age 11 and over must wear a face covering on public transport. This law does not apply to school transport. However, DCC, supported by PHE, recommend that people aged 11 and over wear a face covering when travelling on dedicated school transport from the start of the autumn term. However, there are some exemptions:</i> <u>https://www.gov.uk/government/publications/coronavirus-covid-19-safer-transport-guidance-for-operators/coronavirus-covid-19-safer-transport-guidance-for-operators#exemptions-from-mandatory-face-coverings</u> <i>Face coverings should not be worn by those who may not be able to handle them as directed (for example, young students, or those with special educational needs or disabilities) as it may inadvertently increase the risk of transmission. Drivers may wear face coverings if they wish to, although guidance indicates that PPE is not normally needed on home to school transport.</i></p>	

<p>Loading for vehicles above nine passenger seats</p>	<p><i>Transport Co-ordination Service will work with operators, schools and parents to manage arrangements for organised queueing and boarding. Students should be asked to respect the driver's personal space and hold back from entering the vehicle until the driver has indicated it is safe to do so, and then do so one by one in an orderly manner. They should hold their bus pass so it is visible to the driver (and produce for closer examination if requested). Seats alongside or immediately to rear of the driver may be out of use and if so, would be clearly marked as "out of use" by the operator.</i></p>	
<p>Good practice & personal care</p>	<p><i>ALL students will be expected to abide by the DCC Code of Conduct. Students, drivers and escorts should clean their hands, before boarding home to school transport and when arriving at school or home. It should not normally be necessary for students to clean their hands during the journey. Coughs/sneezes – students/parents to be given guidance on good management of coughs and sneezes, in line with the "catch it, bin it, kill it" approach – this will be reinforced in schools. Students should be encouraged to carry tissues on home to school transport. These will need to be disposed of in a covered bin. Where it is not possible to have a bin on board, schools should have a suitable disposal process on arrival.</i></p>	
<p>Carriage of passengers with symptoms</p>	<p><i>Parents must be advised that students MUST NOT board home to school transport, if they or a member of their household has symptoms of coronavirus. Any child, young person or other learner who starts displaying coronavirus symptoms while at their setting should be sent home immediately. They must not travel on home to school transport. The school should contact the parent or carer who should make arrangements for the child or young person's journey home. In exceptional circumstances, where this is not possible, and where a symptomatic child or young person or other passenger needs to be transported to their home, you must contact the Transport Coordination Service at DCC. Transport Coordination Service will work with Public Health colleagues to manage any virus outbreak. Students, drivers and passenger assistants who have been in contact with someone that has developed symptoms whilst at school or on home to school transport do not need to go home to self-isolate unless;</i></p> <ul style="list-style-type: none"> <i>• they develop symptoms themselves (in which case, they should arrange a test) or</i> <i>• the symptomatic person subsequently tests positive (see below) or</i> <i>• if they have been requested to do so by NHS Test and Trace.</i> 	
<p>Children with Special Educational Needs:</p>	<p><i>When deciding on the package of measures that is appropriate on transport for children and young people with special educational needs, Transport Coordination Service will need to take account of the particular needs of the children using the transport and will work with the parents and school.</i></p>	

Wider public transport	<p>It is the law that you must wear a face covering when travelling in England on public transport. Some people don't have to wear a face covering including for health, age or equality reasons. Some transport staff may not wear a face covering if it is not required for their job. You should also wear a face covering in other enclosed spaces where it is difficult to maintain social distancing. For example, at stations and in taxis and private hire vehicles. A taxi driver or private hire vehicle operator may be entitled to refuse to accept you if you do not wear a face covering.</p>	<p>All transported pupils wear a face covering. <i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i> Current arrangements will operate throughout NL <i>The current arrangements will remain in place</i></p>
School Transport arrangements support changes to school times	<p>Any alternative access arrangements for when students arrive at the school grounds should be communicated via the school to families/students. Liaising with the School Transport Team before change are made. Follow government guidance https://www.gov.uk/guidance/working-safely-during-coronavirus-covid-19/vehicles</p>	
Curriculum considerations		
Planned return to normal curriculum in all subjects by Summer Term 2021	<p>Substantial modification to the curriculum may be needed at the start of the year, so teaching time should be prioritised to address significant gaps in pupils' knowledge with the aim of returning to the school's normal curriculum content by no later than summer term 2021.</p>	<p><i>A trust wide Recovery Curriculum support document is in place for September 2020 and has been circulated with staff. A staff meeting on September 3rd will take place to discuss planning and implementation.</i> <i>A review of the school's recovery plan was carried out in conjunction with a SI meeting on 12th October 2020. The current plan is effective and continues to show positive impact on attainment, progress and well – being.</i> <i>The school recovery curriculum will remain the focus for teaching and learning until the Spring half term. This will be reviewed regularly throughout the term and will be dependent on government guidance and advice.</i> Remote learning is in place for the majority of pupils throughout NL</p>

		<p>A review of the school's recovery plan was carried out in a staff meeting on Monday 1st March. The current plan is effective and continues to show positive impact on attainment, progress and well-being. It will also address the highlighted issues for pupils returning to school after NL 3.</p>
<p>Suspension of some subjects for some pupils in exceptional circumstances.</p>	<p>Schools should be able to show that this is in the best interests of these pupils and this should be subject to discussion with parents during the autumn term. They should also have a coherent plan for returning to their normal curriculum for all pupils by the summer term 2021.</p>	<p>N/A at this time, but will be kept under review.</p> <p>All pupils currently experiencing their entitlement to a full curriculum.</p> <p>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</p> <p>Pupils accessing full entitlement through NL</p> <p>The current arrangements will remain in place</p>
<p>Music, dance and drama activities</p>	<p>Schools should note that there may be an additional risk of infection in environments where you or others are singing, chanting, playing wind or brass instruments or shouting and also in drama and dance activities. As a result, schools must refer to the detailed Guidance for Music, Dance and Drama as well as Guidance for the Performing Arts and should take particular care to observe social distancing which may limit numbers taking part in group activity, and prevent physical correction by teachers, and contact between pupils in drama and dance.</p> <p>Schools should keep any background or accompanying music to levels which do not encourage teachers or other performers to raise their voices unduly. If possible, use microphones to reduce the need for shouting or prolonged periods of loud speaking or singing. If possible, do not share microphones. If they are shared, follow the guidance on handling equipment</p> <p>If planning an indoor or outdoor face-to-face performance in front of a live audience, schools should follow the latest advice in the DCMS performing arts guidance, implementing events in the lowest risk order as described. If planning an outdoor performance they should also give particular consideration to the guidance on delivering outdoor events.</p>	<p>An updated SOL from Charanga, the school music scheme has been received and will be followed in line with the government guidance.</p> <p>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions and DFE guidance.</p> <p>All pupils able to access music SOL during remote learning sessions.</p> <p>The current arrangements will remain in place and be reviewed as required in line with National guidance.</p>

	<p>Schools should consider risk reduction measure such as physical distancing and playing and singing outside wherever possible, limiting group sizes, positioning pupils back-to-back or side-to-side, avoiding sharing of instruments, and ensuring good ventilation. The guidance should be consulted for further information relating to:</p> <ul style="list-style-type: none"> - peripatetic music staff, - cleaning and handling of equipment, - singing and playing brass and woodwind instruments - Avoiding sharing of musical instruments - Handling scripts 	
Physical activity in schools	<p>Pupils should be kept in consistent groups, sports equipment thoroughly cleaned between each use by different individual groups, and contact sports avoided. Outdoor sports should be prioritised where possible, and large indoor spaces used where it is not, maximising distancing between pupils and paying scrupulous attention to cleaning and hygiene. This is particularly important in a sports setting because of the way in which people breathe during exercise. External facilities can also be used in line with government guidance for the use of, and travel to and from, those facilities. Schools should refer to the following advice:</p> <ul style="list-style-type: none"> • guidance on the phased return of sport and recreation and guidance from Sport England for grassroot sport • advice from organisations such as the Association for Physical Education and the Youth Sport Trust <p>Schools are able to work with external coaches, clubs and organisations for curricular and extra-curricular activities where they are satisfied that this is safe to do so. Schools should consider carefully how such arrangements can operate within their wider protective measures.</p> <p>Activities such as active miles, making break times and lessons active and encouraging active travel help enable pupils to be physically active while encouraging physical distancing.</p>	<p><i>ARENA will continue to support the delivery of PE in Class 2 and 3. Classes will continue to use the local environment to go for a walk. A safe working practice and risk assessment has been received. The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p>Current arrangements will operate throughout NL – ARENA will be operating Forest schooling and PE weekly sessions.</p> <p><i>The current arrangements will remain in place and reviewed as required.</i></p>
Practical science, art and D&T lessons	<p>Guidance from CLEAPSS should be followed when planning practical lessons, using resources such as the Guide to doing practical science work during Covid-19, Guide to doing practical work in D&T, food and art , Carrying out practical science work in non-lab environments and for primaries Practical activities in a bubble. Schools must ensure that they stay up to date with the latest guidance in these specialist areas.</p>	<p><i>All guidance is being followed as required.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p>Current arrangements will operate throughout NL. Sessions being operated remotely via Teams and J2E.</p> <p><i>The current arrangements will remain in place and reviewed as required.</i></p>

Educational visits	<p>The DfE advises against all educational visits at this time. This advice will be kept under review. Schools coronavirus (COVID-19) operational guidance (publishing.service.gov.uk)</p> <p>For additional information check with EVOLVE guidance on website.</p>	<p>There are currently no planned educational visits, but practices will be reviewed as required and in accordance with guidance.</p> <p>A planned visit to Geevor by Class 3 has been cancelled due to the second national lockdown (Nov 5th)</p> <p>No educational visits are planned for the foreseeable future.</p> <p>No educational visits are planned for the foreseeable future.</p>
Groups of children mixing resulting in risk of more widespread transmission	<p>Children should be grouped into consistent groups that do not mix to enable track and trace and self-isolation where necessary. Maintaining distinct groups or 'bubbles' that do not mix makes it quicker and easier in the event of a positive case to identify those who may need to self-isolate and keep that number as small as possible.</p> <p>Groups should be as small as possible whilst providing the full range of curriculum subjects and for primary this is likely to be up to the size of a year group. When using larger groups the other measures from the system of controls become even more important, to minimise transmission risks and to minimise the numbers of pupils and staff who may need to self-isolate.</p> <p>Whatever the size of the group, they should be kept apart from other groups where possible and older children should be encouraged to keep their distance within groups. Schools with the capability to do it should take steps to limit interaction, sharing of rooms and social spaces between groups as much as possible. It is accepted that the youngest children cannot socially distance from each other or staff. Measures should be combined and implemented as far as is possible at all times (even if not always achieved 100% of the time).</p> <p>Large gatherings such as assemblies and with more than one group should be avoided.</p>	<p>Groups will be consistent with each class operating as a bubble for the majority of the day. The exceptions will be breakfast club, after school club and RWI teaching groups. These group will be consistent.</p> <p>There will be 2 x lunchtime groups which will be subdivided into their class bubbles.</p> <p>Lunchtime arrangements will need constant review due to the tight timings.</p> <p>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</p> <p>Current arrangements will operate throughout NL – KW pupils will be operating as a single bubble.</p> <p>The current arrangements will remain in place and reviewed in line with Government guidance.</p>
Provision of food		
Food prepared on premises is compliant with Covid - 19 health and hygiene guidance	<p>School kitchens must comply with the Guidance for food businesses on coronavirus (COVID-19)</p>	<p>This will be reviewed as required. Information to be shared with lunchtime staff.</p> <p>The current arrangements will</p>

		<p><i>remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>Current arrangements will operate throughout NL – hot meals will be available throughout NL.</i></p> <p><i>The current arrangements will remain in place and be reviewed in line with National Guidance.</i></p>
Catering staff are operating in a safe environment	<p><i>Catering staff to follow the relevant aspects of government guidance for food premises: https://www.gov.uk/guidance/working-safely-during-coronavirus-covid-19/restaurants-offering-takeaway-or-delivery</i></p>	<p><i>This will be reviewed as required.</i></p> <p><i>Information to be shared with lunchtime staff.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>Current arrangements will operate throughout NL.</i></p> <p><i>The current arrangements will remain in place and be reviewed in line with National Guidance.</i></p>
Communications with parents and others		
Parents, contractors and other staff entering or working in the building – school complying with external requirements for staff safety	<p><i>Tell parents, carers or any visitors, such as suppliers, not to enter the education or childcare setting if they are displaying any symptoms of coronavirus. Inform all visitors, suppliers, and contractors that only pre-arranged calls will be allowed on site. Publish a site telephone number in case of immediate access required.</i></p>	<p><i>Telephone numbers are published on the school website. Parents have been advised NOT to enter the school if any family member is displaying symptoms of Covid19.</i></p> <p><i>“We are sure you will but please follow Government guidance in relation to Covid-19 whilst you are visiting our sites. Each school/site will have different specific instructions which will be explained to you when you arrive, please adhere to the instructions given to ensure safety for everyone. Thank you.” This information will be in the entrance hall.</i></p>

		<p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions which came into force.</i></p> <p><i>Current arrangements will operate throughout NL.</i></p> <p><i>The current arrangements will remain in place and be reviewed in line with National Guidance.</i></p>
Suppliers understanding and complying with new arrangements	<i>Discuss new arrangements with suppliers and deliveries to be arranged for quiet times or outside school hours</i>	
Communications to parents and staff	<i>Regular communications</i>	<p><i>Parents have been and will continue to receive regular updates regarding information related to practice and procedure. All information will be emailed or posted and will be put onto the school website.</i></p> <p><i>The latest communication was sent 4/1/21 and outlines expectations regarding return to school in the Spring term under Tier 3.</i></p> <p><i>Parents have received a significant amount of relevant information with regards to restrictions during NL. This will be regularly reviewed to ensure they are well informed.</i></p> <p><i>Parents were informed of the return to school date of 8th March. Further communication regarding the organisation of the school day will be sent on Tuesday 2nd March, following a staff meeting review on 1st march.</i></p>
Pupils and families anxious about return	<i>Support in place to address concerns and communications with parents on measures in place to reduce anxiety. Clear messaging on expectations for attendance and identification of those who may be disengaged, disadvantaged or vulnerable and where catch up funding may need to be applied.</i>	<p><i>Clear messages about attendance have been communicated to parents and will be monitored closely by CB/EG. EHWP support will be available to identified pupils</i></p>

		<p><i>who may find returning to school challenging.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>Current arrangements will operate throughout NL. Many channels of communication are open to parents and staff are supporting families that have been identified as anxious or vulnerable.</i></p> <p><i>Clear messages about attendance have been communicated to parents and will be monitored closely by CB/EG. EHWB support will be available to identified pupils who may find returning to school challenging.</i></p>
Parent aggression due to anxiety and stress.	<p><i>Tell parents their allocated drop off and collection times and the process for doing so, including protocols for minimising adult to adult contact (for example, which entrance to use) to reduce anxiety</i></p>	<p><i>All information regarding drop off and collection has been communicated with parents. If they have queries, they have been signposted to the school office.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>No parents are accessing the school site due to NL. KW are entering school via the front door. The school gates remain locked.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with national guidance.</i></p>
Oversight of the governing body		
Lack of governor oversight during the COVID-19 crisis leads to the school failing to meet statutory requirements	<p><i>The governing body continues to meet regularly via online platforms. The governing body agendas are structured to ensure all statutory requirements are discussed and school leaders are held to account for their implementation. The Headteacher's report to governors includes content and updates on how</i></p>	<p><i>Regular contact between the HT and COG is in place. Information will be shared to the Governing board and to the directors of the</i></p>

	<p><i>the school is continuing to meet its statutory obligations in addition to covering the school's response to COVID-19.</i></p> <p><i>Regular dialogue with the Chair of Governors and those governors with designated responsibilities is in place.</i></p> <p><i>Minutes of governing body meetings are reviewed to ensure that they accurately record governors' oversight and holding leaders to account for areas of statutory responsibility.</i></p>	<p><i>Trust as required. Governing board meetings will continue to take place as SD arrangements can take place.</i></p> <p><i>The current arrangements will remain in place and reviewed in line with Tier 3 restrictions.</i></p> <p><i>Current arrangements will operate throughout NL.</i></p> <p><i>Regular contact between the HT and COG is in place. Information will be shared to the Governing board and to the directors of the Trust as required. Governing board meetings will continue to take place as SD arrangements can take place.</i></p>
