

# How Beechwood beat the Covid Grinch!

We didn't swap Christmas cards, but we did swap Christmas messages online with each other and we shared Virtual Assemblies!

We missed the parents visiting for Decorations Afternoon, but we still made decorations!

We missed the Buddies Disco and can't wait to dance and be together in the Next Year! The Buddies have still supported all the children of Beechwood and contributed to the selection boxes. They have also held MUFTI days and are saving for some special summer events.

We had a Virtual visit from Father Christmas and he gave every child at Beechwood a Chocolate Selection Box; the children's faces were a picture!

We had our usual full Christmas Dinner in our Bubbles, and we made our own hats! Thank you Kitchen team for the lovely Christmas roast!

We dug up the Christmas Trees we planted last year and decorated them for the dining hall and we still wore our Christmas Jumpers to raise funds for Save the Children again this year.

We missed Rev Iain and the Christingle assembly, but Mrs Evans still held Virtual Advent Assemblies for the children.

We missed the Christmas shows but Reception and Nursery created a Virtual Nativity for us all to see.

Could I pass on my thanks to all the supporters of Beechwood who made this Christmas magic happen in these difficult times: Carol Lant and the Derriford United Reformed Church and Tesco's for their generous donations for the selection boxes. Magic Breakfast for their donations and we especially need to thank Graeme Kirkup for our virtual visitor and we wish you all some Christmas magic of your own!
