

# Pennoweth News

Contact us at [help@pennoweth.cornwall.sch.uk](mailto:help@pennoweth.cornwall.sch.uk)

Week ending Friday 15th May 2020

Thank you so much for the feedback on the new newsletter, we are glad that it is working well to highlight key messages and to celebrate a whole host of achievements and activities that the children are undertaking whilst away from school.

As you know, Monday sees Pennoweth open up again, albeit in a very limited way, as a childcare hub for those children that have been attending Treloweth. We also have a few more children join where parents have now been designated as key workers. If you feel that you are eligible for your child to attend the hub, please contact us at [help@pennoweth.cornwall.sch.uk](mailto:help@pennoweth.cornwall.sch.uk) and we will get in touch with you.

We are still working to finalise what arrangements will look like for opening up to defined year groups and will let you know as soon as we get further information. Take care everyone, stay safe.

<b>Being Brave</b>		Tommy (3NS) for trying different ways of learning Lola B (N) for always smiling Harrison (FSFM) for being brave when falling off his bike and getting straight back on
<b>Being a Great Helper</b>		Dovydas (3/4RT) for helping in the garden and kitchen Bea (3NS) for tidying the house and training the puppy! Tane (5/6MD) for going above and beyond with his learning even whilst at home!

## Safeguarding

Please remember to get in touch with us once a week so that we know you are all ok. The easiest way to do this is by emailing in. You can email the key stage addresses (these are given on the front of the website or use the [help@pennoweth.cornwall.sch.uk](mailto:help@pennoweth.cornwall.sch.uk) address—this is monitored every day).

## The Recovery Curriculum

You will hopefully have seen our letter today regarding the changes we are making to our curriculum offer as we begin to open up the school (initially as a hub and then, over time, to a wider set of children). The aim of the change of approach is to ensure that all children, regardless of whether they are able to attend school or not, are receiving the same curriculum offer. This, in turn, means that if you are in the position where you can make a choice about whether your child returns to school or not, the choice is mainly about where your child will be accessing their learning rather than what they are accessing. As ever, health and wellbeing remains the absolute priority so any home learning that you can do is great but please do not worry if it is difficult to carry out the work.

## Food vouchers

Please note that this is the last week that we will have food parcels delivered. From next week, if your child is entitled to free school meals (please note that this is not Universal infant free school meals, but the free school meals entitlement that is authorised through an application to the county website) then you should receive an email with a voucher code that you can redeem. Please do get in touch if you have not received an email by the middle of next week.

We hope that the new system works well for everyone and provides you with more flexibility on how you are able to manage the free school meal entitlement.

## Opening to different year groups

As you will know, we are still waiting for further information around the details for opening the school to different year groups. The Trust is working on this issue with all 9 schools and we hope to get a communication out to you soon with regards to what the next steps will be. Whatever we do, please be assured that your children's safety and wellbeing will always be the priority. This will mean that we need to put in a series of measures to protect staff and children as much as we are able to. We will outline all these measures as we begin to finalise plans to enable you to make an informed decision about whether or not to send your child back to school at the current time.

## Happy birthday this week to:

Samuel (Y4), Cody (YR), Keira (Y2), Maddie (Y6)

*Please don't forget that if we can help in any way, you can contact us through [help@pennoweth.cornwall.sch.uk](mailto:help@pennoweth.cornwall.sch.uk)*

*Take care and we look forward to seeing you when it is safe.*
