

TREGOLLS ACADEMY

19th June 2020

A Message from the Headteacher

Dear parents and carers,

Well, I heard we will see the return on the sunshine this weekend, so fingers crossed. I don't know about you but the combination of the weather being less than nice and lockdown has made life a bit gloomy over the past few weeks. I think we were all coping as well as we could and being as positive as we could be for the first 12 weeks of lockdown, but it feels harder now doesn't it. We just have to all remember that this isn't forever and things will get better in time.

This week we have been continuing to look at how we adjust to life in school through a pandemic and following a pandemic. We are developing a "recovery" curriculum for September which will not only focus on academic catch up, but also the need to support the mental health and well being of our children and staff when they return to school, if they have not done so already. As I have said before, I know parents really need to know how September will look and we can only hope that guidance from government will come soon. We are also waiting to find out what the expectations are for the summer holidays, we are unsure yet if we will be able to run a holiday club. Once we have answers to these questions we will be in touch with you.

We have been looking at communication and how we get messages to parents, obviously being in lockdown has meant this is more important than ever.

Class Dojo

Most of you have now used Dojo and this is where your children are receiving and sharing their learning from their class teacher. We are now sharing whole school activities and events through the School Story Page on Dojo. When you open the app as a parent it should show up in your story feed. Hopefully you can see PE posts from Mrs Butterly, this will mean you are on the right page! If you can't see posts from Mrs Butterly you can email Mr Anderson and I he will help you. His email address is:

sanderson@tregolls.cornwall.sch.uk. The whole school Dojo page will be where we share learning opportunities and messages about learning.

Facebook

We will also share some of our learning achievements and messages on the school Facebook page, alongside general reminders and news.

Text

We will send texts for urgent matters and to link to letters that go onto the website.

TREGOLLS
SCHOOL

AN ACADEMY **Website**

The school website will include all of our letters, policies, school menus, the curriculum, school calendar and much, much more. If you are not using it at the moment please pop along and check it out.

Thank you everyone, stay safe. Best wishes, Mrs Jeffries.
