

Upskill your staff – improve your setting

“Absolutely fantastic! EYITT gave me confidence in myself and my abilities and has enabled me to change and alter our setting for the better.”

– Christina Noton,
EYITT Candidate 2017

EYITT interviews by phone

It is a DfE requirement that prospective EYITT candidates attend an interview to determine suitability and readiness for the programme, and in light of COVID 19, **we will now be conducting these interviews via a phone call**. Phone interview timings can be arranged at a time of your convenience.

The application process is simpler than before, as candidates are **no longer required to take the DfE Professional Skills Test** in literacy and numeracy.

Register your graduate staff for an Early Years Initial Teacher Training (EYITT) course and receive a **£7,000 employer incentive per trainee**

Available nationwide, trainees study part-time alongside their work, with the employer incentive designed to cover any costs incurred by your nursery in supporting the trainee during this time.

Best Practice Network won ‘**Company of the Year**’ at the **2020 Bett Awards** and is the largest provider of EYITT in England with a 100% pass rate over the past three years.

Apply now to secure a funded place starting in Autumn 2020
