Dear Parents/Carers

Spring term updates – Jan 2020

I am writing to update you on the launch of our new initiatives for curriculum and behaviour.

We are keen to support you in helping your child with their education. Our new inspiring curriculum is now in place; you can see an overview of what your child is learning each half-term by looking at the 'year groups' drop-down menu on the homepage of our website. See the example below;

Our new 'behaviour for learning' policy is now in place. It is based on three simple rules and seeks to reward and praise wherever possible. There are clear sanctions in place if school rules are not followed. I'm pleased to say that the overwhelming majority of pupils are responding very positively to this. The policy is available to view on our website; on the homepage click on 'statutory information' – 'policies'. See link below;

We have looked carefully at what we provide for pupils with special educational needs and/or disabilities (SEND). Mrs Wilson as our SENDCo, introduced many improvements at Biscovey Academy. However, we recognise that more time needs to be devoted to this important area. As a result, we have employed Miss Bignell (Y1 teacher), to provide us with additional SENDCo time going forward.

Mrs Wilson has returned to the infants' school, where she now combines class teaching with SENDCo responsibilities. Her expertise in supporting Miss Bignell as we make this transition is very important.

As always, if you have particular concerns relating to your child, please take this up with their class teacher in the first instance and our SEN team and/or senior leaders as required.

Yours faithfully.

Mr M. Brady
