

Wednesday 9th September 2020

Dear Parents and Carers,

It is a real joy to have children back in school this week and to return to learning routines.

Whilst we are pleased to be back and following all of the new procedures, the government are requesting that all schools have a plan in place - should children need to be out of school because they are having to self-isolate.

In order to help us provide the most effective method of remote learning I need to ask some questions about your child's access to technology at home. This will help us to ensure your child can continue learning in the most effective manner whilst they are not in school.

Please could you complete the reply below and return to school by Friday 11th September.

Kind regards

Mrs Simpson
Headteacher

.....

Childs name..... Year group.....

1. Do you have wifi access into the home? Yes No Only 4G

2. Does your child have access to a laptop/tablet to learn with/on at home?
Yes No
