

PE funding 2019-20

As a result of the government funding to support healthy, active pupils, Woodside has been allocated £17,500, from the DFE sports premium for 19/20. This is to be used to improve the provision of PE and sport for all pupils. Sustainable use of this money has been promoted by investing in staff CPD, taking local sports clubs into account when choosing which sports to offer and by monitoring the impact of previous spending to inform future spending.
