Dear Parents/Carers,

We have received the government guidelines for the reopening of school for September for all year groups and we are now working on a plan on how we will welcome all of the children back in school safely. This information will be shared with you before the end of this week. If you wish to read the document please go to the Government website.

In the meantime, we are pleased to be able to offer a Breakfast and After School club facility. This will however not be as flexible as previously known due to the conditions specified by the government that parents are not permitted on school premises.

## **Breakfast Club**

**We aim to provide two drop off times of 7.40am or 8.15am.**

You will meet the breakfast club staff member at the Crowden Road gate at these times and the children will then be taken into the KS2 hall for breakfast and drinks. Children will sit with other children within their class/year group bubble and do activities at their table. Breakfast will be prepared in the school kitchen. The cost will remain the same at £4.00 for the 7.40am drop off and £2.00 for the 8.15am drop off. Please note breakfast is not provided for children on the later 8.15am drop off.

## **After School Club**

**The two pick up times will be 4.55pm and 5.55pm.**

After School Club will also be held in the KS2 hall but unfortunately we will be unable to provide hot food. Children will still be given snacks/toast and drinks during each session. A staff member will walk the children to the school gate and you will collect your child from the staff member. This allows the staff time to clean down ready for breakfast club the following morning. The costs for each session will be £5.50 for the 4.55pm finish or £6.50 for the 5.55pm finish.
