

Hub Weekly Challenges 14

Week beginning 11th January 2021

Introducing Robotic Japan! Week 1

This term, we will be looking at Robotic Japan. We are going to go robot crazy! We will be using this book. I will be sending a copy home for you to use. Enjoy looking through it and learning about all the amazing robots that have been invented.

Dragon's Den -Get Designing!

Watch this clip from the Dragon's Den about the Crikey Bikey Harness.

[The Future of Britain Is Bright With These Two Sisters | Dragon's Den - YouTube](#)

Can you now design me a product that will not only eat up my Christmas tree needles but also sense when they have fallen? All Christmas, I have spent my time hoovering up the needles. I would hoover, sit down with a cup of tea to relax, and notice they need doing all over again. Please help me!

The Tasty Challenge

Have a go at making Japanese Yakitori – a chicken style kebab.

<https://www.kidspot.com.au/kitchen/recipes/japanese-yakitori-recipe/sdapn8qj>

It's Quiz Time

Watch this YouTube clip on Robotic Japan
[Japan's robot revolution - BBC Click - YouTube](#)

You can miss out the content from 11mins 15 to 14.45 as this content doesn't focus on robots! And then answer the quiz questions on Google Classrooms.

Arty Crafty

PAPER PLATE HAND FANS

Have a go at making these Japanese hand fans. All you need is a paper plate and 2 lolly sticks. If you search on google for some Japanese art, you will find lots of images to inspire your decorating.

What about this one?
Or this?

Maths Madness

1. Complete Puzzle 68. How many people live in Albert Square?

2. Play Pyramid Solitaire. Watch the video first and then it's your turn to have a go!

<https://www.youtube.com/watch?v=dnRIETGqHec>

3. Play Code Generator. This game is a bit like the TV show 'Countdown'. You will need to make the number generated on your dice. See instruction sheet.

Would you rather...?

Can you explain the reasons for your choice?

Would you rather a world that was made out of Lego or your favourite foods?

Stay healthy!

Make sure you do some Funfit at home. My challenge to you this week is to do the following exercises every day:

1. 5 Superman rolls
2. 10 Burpees
3. 15 Mountain climbers
4. 20 Star Jumps

Do something you enjoy and are good at

Do something you are good at and share it with your family.

Can you teach someone in your family to do something you are good at, e.g. drawing, playing an instrument, juggling, maths.

Managing Distractions

You need to recognise and reduce the things that distract you from your learning. A hedgehog manages its distractions by curling up into a tight spiky ball.

Learning from home can be challenging. You are going to have to become like a hedgehog over these next few weeks!

Collective Worship

Our value this half term is Perseverance. ***"Let us run with perseverance the race that lies before us. Let us keep our eyes fixed on Jesus, on whom our faith depends from beginning to end." Hebrews 12 v1-2***

Log onto the youtube page of exmouthcoastalchurches to find our weekly collective worship.

It's Game Time

In your home learning box this week, I've sent you home with some games to play. Have fun!

Your turn!

Would you like to set any of the challenges next week? Send me any of your ideas. Maybe you would like to set a Tasty Challenge or the next Would You Rather. Be creative!

This will be on the school website and on Google Classrooms by 8.30am every Monday. Please send me your responses and pictures by Friday 4.00pm please if you want your entries to be included in our Hub Exhibition. Send me an email to hubteacher@littleham.devon.sch.uk or reply in Google Classrooms
