

Hub Weekly Challenges 16

Week beginning 25th January 2021

Robotic Japan! Week 3

This week, I would like you to find out about a certain type of robot. There is a choice of robotic dinosaurs, robotic animals, or the robotic car. I bet you can guess who I was thinking of when I chose these!

Use my worksheet to help you. You'll notice, I've only included half the picture/diagram – you'll have to finish it. Make sure you add labels. I'm looking forward to seeing your Star Fact and your Did you Know...? section.

Penpal Challenge

Enjoy reading your letters from your pen pals. Can you write back? I'm sure you have lots to tell them about Christmas, New Year and working from home.

It's Quiz Time

It's time to do the quizzes that you set for each other last week! Have fun! Remember to read the pages from the book first.

The Tasty Challenge

Have a go at making Japanese DIY tuna sushi hand rolls. These look really exciting to make.

What are the Pros & Cons of using Robots?

Watch the following youtube clips of using robots in Japan:

[Japan's Robots: Robots used in care for the elderly - YouTube](#)

[Robots help paralyzed people walk - YouTube](#)

[Where hotel is staffed by robots - BBC Click - YouTube](#)

Can you think of all the positive and negative reasons for using them? Can you write them down for me? You can use pictures to support your ideas.

Arty Crafty

Can you do some Japanese writing? Symbols or pictures represent meaning instead of letters. Kanji are used for writing nouns, adjectives, adverbs and verbs. But unlike the Chinese language, Japanese cannot be written entirely in kanji. Hiragana and katakana, each consisting of 46 syllables, are used too.

The writing is written vertically in columns going from top to bottom, from right to left.

You can see the sheet on Google Classrooms.

Maths Madness

1. Complete Puzzle 74. Anyone for tennis? Can you work out which children play the game?

2. Learn how to play the card game 31. You can watch this video to help you.

[How To Play 31 \(Card Game\) - YouTube](#)

3. 'Play Stuck in the Mud' with your dice. I wonder who will get the highest score?

Would you rather...?

Would you rather live with 7 cows in your living room or a panda in your bedroom?

Can you explain the reasons for your choice?

Collective Worship

Our value this half term is Perseverance. ***"Let us run with perseverance the race that lies before us. Let us keep our eyes fixed on Jesus, on whom our faith depends from beginning to end." Hebrews 12 v1-2***

Log onto the youtube page of exmouthcoastalchurches to find our weekly collective worship or look on Google Classrooms.

There's also a sheet full of ideas on Google Classrooms for you to do together with your family.

Take a break

Remember to take a break. If you would like some help relaxing try this mindfulness meditation.

<https://www.youtube.com/watch?v=nmFUDkj1Aq0>

Imagining

You should use your imagination to create fantasy creatures, stories and to develop your own ideas. Explore new possibilities. Ask the question- What if ...?

Don't forget it's important when learning from home to sometimes find a quiet spot to dream and imagine. Be like a unicorn and create stories, dream up new ideas and use your imagination.

It's Game Time

In your home learning box this week, I've sent you home with some games to play. Have fun!

Your turn!

Would you like to set any of the challenges next week? Send me any of your ideas. Maybe you would like to set a Tasty Challenge or the next Would You Rather. Be creative!

This will be on the school website and on Google Classrooms by 8.30am every Monday. Please send me your responses and pictures by Friday 4.00pm please if you want your entries to be included in our Hub Exhibition. Send me an email to hubteacher@littleham.devon.sch.uk or reply in Google Classrooms.

Parents, please be aware that when accessing the youtube clips I post, that adverts could pop up. It is always advisable to have your home security filters on. Please let me know if there are any issues.
