Dear Parents,

Following the government announcement clarifying the term “key workers”, please use the following procedures to identify yourself as an approved key worker who will need support from school during this pandemic, in order to continue your pivotal role in supporting others.

Please note that the government stipulate the following essentials:

“the government has asked parents to keep their children at home, wherever possible, and asked schools to remain open only for those children who absolutely need to attend”.

“the fewer children making the journey to school, and the fewer children in educational settings, the lower the risk that the virus can spread and infect vulnerable individuals in wider society”

Please email school on postbox@st-maryangel.walsall.sch.uk, **before 5pm this evening**, giving the following information:
