Underground

Animal	Where they like to live	Best environment
Polar Bear 	Cold and icy areas near water so they can catch fish.	
Camel 	Hot and dry places.	
Sheep 	Places where there is plenty of grass for them to eat.	
Duck 	Partly on fresh (not salty) water but so they can go on land too.	
Crab 	Near salty water but so they can come onto land too. They like sand or rocky areas.	
Owl 	In holes high up in trees.	
Whale 	In salty water where there are lots of fish to eat.	
Worm 	Where they can burrow through soil where it is damp and cool.	
Monkey 	In trees where there are plenty of fruits to eat and where they can climb.	
Frog 	Partly on fresh (not salty) water but so they can go on land too.	
Cow 	Places where there is plenty of grass for them to eat.
